DEER ISLAND

The people of the Island are very much pleased with the new minister, E. E. Davidson, evangelist. He has been preaching some powerful sermons.

T. L. Treacart purposes building a warehouse in connection with his department store, in order to accommodate the immense stock of goods he now has on hand. He will handle boots and shoes with other goods. Such men are a credit to the place.

We are glad to see preparations being made for the new wharf at Leonardsville, to be built by the dominion government, which all of the tory party were praying that it would not come. Another cry of the tories was, there will never be a wharf at Cummings Cove. About the middle of January 1910 we will see. It looks as if W. F. was doing something.

Don't forget the great, evangelistic sermons at Lord's Cove.

Stops Hair
Falling

Ayer's Hair Vigor, new improved formula, will certainly stop falling of the hair. Indeed, we believe it will always do this unless there is some disturbance of the general health. Then, a constitutional medicine may be necessary. Consult your physician about this.

Does not change the color of the hair.

Formula with each bottle. Show it to your doctor. Ask him about it, then do as he says.

Ayer's

The reason why Ayer's Hair Vigor stops falling hair is because it first destroys the germs which cause this trouble. After this is done, nature soon brings about a full recovery, restoring the hair and scalp to a perfectly healthy condition.
