## THE GRANITE TOWN GREETINGS

### Are Your Children Properly Fed?

LET us talk about the right feeding of children. Of course, you want your children to grow up strong and healthy; you want to equip them for the battle of life with rugged constitutions and good red blood. Now, the first step is to see that they are properly fed. And these words "properly fed" mean much in the diet of children. For it isn't quantity that counts, but quality.

There is no better food under Heaven for growing children than plenty of fine class bread and butter. They thrive on it, grow strong and fat and rugged. Their systems crave it because it is a complete, well-balanced food.

But the bread must be good—the very best, and the best is made from ROYAL HOUSEHOLD FLOUR which contains the full nutriment of Manitoba Red Eye wheat—for only wheat of this character contains enough of the right quality given to balance the starch. Given makes bone and muscle, starch makes fat. It takes the right combination of both to make properly balanced bread.

Bread made from OGILVIE'S ROYAL HOUSEHOLD FLOUR is richest in blood building, muscle building, health building power. Children like it better and thrive better on it.

With "Royal Household" you need never have anything but the very best results for it is always the same, absolutely uniform, year in and year out and is just as good for baby as it is for bread.

If parents knew this important difference between ROYAL HOUSEHOLD FLOUR and other flours they would never use any but "ROYAL HOUSEHOLD".

Send in your name and address to The Ogilvie Flour Mills Co. Limited, and get an interesting book of ten recipes called "Ogilvie's Good Food Cook."

### Motoring Music.

New Road Clearer With Notes of a Church Organ.

British chauffeurs of the new motor will, it seems, have to make musical notes to mechanical ability.

For the newest road-clearer is not a horn or a bell or a bumper or a siren, but something in the nature of a church organ, with a range of ten notes.

The latest invention, the Gabriel, is its name has ten horns turned into following notes: G, A, B, C, D, E, F, G, A, B. It has a brass key on an 18-inch handle to produce the notes. It is played the melody possess the low tone and harmonies of an organ.

Typical tunes played on motor horns by means of brass cylinders which can be changed have had a range for some time. The new hugh, however, is a new musical instrument, and it is being issued similar to the church organ. The first page of the book contains the fingerboard and provides exercises for the chauffeur to practise. After he has mastered the first lesson, he will be able to finger out his chosen twenty tunes, which are written within the scope of the hugh.

### Festival of Empire.

Iron workers Engaged in Turning out Armor for Knights.

Elaborate preparations are now being made for the pageant of London, which is to be one of the principal features of the forthcoming Festival of Empire, to be held at the Crystal Palace, from May to October next, under the patronage and under the support of His Majesty's Government—a distinction rarely accorded to events of this kind.

The pageant promises to be one of the greatest historical spectacles ever witnessed, for neither money nor pains are being spared in the effort to make the 4 scenes which are to be enacted, accurate representations of the various periods selected. The costumes and dresses for this huge undertaking are in themselves a very big item and some idea of the work that is being done in the way of dressing the pageant in the exact mode of the respective periods, may be gathered from the fact that there are no fewer than 15,000 performers taking part in the various scenes.

In order that every little detail of the costumes may be absolutely ac-

curate, a Research Committee was formed, whose duty it was to trace in the various museums and private houses old masterpieces and tapes tries portraying characters and scenes in stirring times long gone by. Then a large staff of artists, all specialists in this kind of work, was engaged to make copies from the paintings, and from these colored drawings the designs for the dresses were executed.

Of the ten thousand or more costumes required for the pageant there are nearly seven thousand already completed, work which necessitated a staff of over 200 workers being engaged practically night and day during the past twelve months. All the material employed in the manufacture is of the finest quality, and all the principals, and there are many hundreds of them, will be clad in the finest satins, silks and richest velvets, compatible with the dignity of the characters they are impersonating.

It will thus be seen that the cost of dressing the pageant alone is a very big item of expenditure. For the dresses range in price from £2 to 30 guineas, the latter price having been paid for the outfit for the lady who will play the part of Queen Elizabeth.

Another important item is the armor for the knights. It is doubtful if there is sufficient available armor in the country for the hundreds of characters that will be thus clad in the pageant, so that it was decided to manufacture special suits for the occasion. In order to do this a special armor has been established at the Crystal Palace, where no fewer than 30 workmen are busily engaged in turning out the mail armors. The chain armors, another big item in itself, has been contracted out.

### Falling Hair.

Mrs. Jas. Harris of Wapell, Sask., says—

"I have found Parsian Sage to be the best scalp and hair tonic and dressing. I have ever used. My hair had been coming out in clumps, full and was very dry and brittle and the scalp was always itching and full of dandruff. I have used two bottles of Parsian Sage and it has stopped my hair from falling, the itching and dandruff have disappeared and my hair is fine and soft and glossy. I would not be without this fine hair tonic for many times the price."

For women, men or children Parsian is without any doubt the finest preparation for the hair. Brilliantly perfumed, it is free from grease or stickiness and ought to be where every member of the family could use it daily. Large bottle 50 cents at all druggists or from the proprietors, The Givens Mfg. Co., Fort Erie, Ont., postpaid. The girl with the Auburn hair is on every package. Sold and guaranteed by J. Sutton Clark.
