The Weekly Messenger—Is printed on fine white paper of the largest class, with a clear and legible type, and published every Weddesday, at two deltas per annum to single subsectors. ITA a five deltar note will pay for four subscriptions for twelve months, forwarded in advance—and an agent (acting for himself or others) by sending a ten dollar note will be farnished with ten copies of this journal for one year.

Original Tales—One of the popular features of this new enterprise will be the encouragement of American literature—that our Journal, therefore, shall be supplied with interesting Tales, we shall appropriate (every year) five hundred dellars, to be divided into Premiums, for the best Tales, descriptive of events connected with the early History of our country. In a fluture aminber we shall announce the manner and time when the premiums shall be destributed.

Biographetes—Every other week we publish a sketch of the Life of some distinguished public tharracter—each accompanied by a correctly engraved portrait. A gentleman of well-known abilities has been engaged to supply this department of our Journal.

European News—The latest intelligence from abroad will be procured from the London and Parace, is forwarded to in sby especial correspondents.

European News—An Epitome of the most promium and the procure of the leading subjects of interest which transpire in England and Prauce, is forwarded to in sby especial correspondents.

Domestic Nees—An Epitome of the most promium ent events which are constantly mostophysic, in ment events which are constantly mostophysic, in the constant of the lates and country.
