

ADMISSION OF STUDENTS.

Pupils are admitted at any time, and are charged for board in proportion to the time of their connection with the School, except at the close of the Session. No deductions will be made for absence during term. It is earnestly desired that students should be present at the organization of the school, both at the beginning of the year, and after the Christmas Holidays. No change in the classes can be made to accommodate those who are tardy in their return after the Holidays. Tuition is received only for the term or half-term. Pupils from a distance are required to board in the Institution, except in the case of those who have near relatives in town.

Whenever a pupil is entered in College, the Faculty consider that an implied contract is made between themselves and the patron, by which the latter is as much bound to continue the pupil in College until the close of the Term, as the Faculty are bound to instruct her for that time. Those who take away their daughters for a few days, without weighty reasons for such absence, not only impair the scholarship of their daughters, but impose unnecessary trouble upon the Faculty, and introduce a restlessness in the minds of all, very unfavourable to study.

LEAVING THE COLLEGE.

It is requested that definite and particular arrangements be made by parents and guardians, and indicated to the Governor of the Institution, respecting the leaving of Students at the close of the term—the time of their leaving, and the company with whom they shall leave.

All payments of money due the College, must be made before the Student leaves.

Notice of one month must be given to the Governor before the removal of a Boarder.

CORRESPONDENCE.

Letters respecting any of the departments of Instruction, the admission or dismissal of Students, their studies, etc., should be addressed to the Principal, Rev Dr. Rice; letters pertaining to the finances of the College, and applications for Circulars, to the Financial Secretary, Rev. W. P. Wright, M. A.
