## PUT "DUMMY" IN COT IN CELL AND MADE ESCAPE FROM PRISON

Police and Deputies of  
Maine on Hunt for Big-  
mist who made Clever  
Get-away from Jail.

Special to The Standard  
Bangor, Me., Mar. 6.—Police and deputy sheriffs all over eastern Maine are searching for Louis Nadeau, bound over to await the action of the March grand jury on the charge of bigamy, who has mysteriously escaped from the Blountville county jail here—the modern and up to date prison in the state. Nadeau formerly lived in Caribou and it is charged that his first wife lives there. He moved to Milo, where it is claimed he married another woman, afterward moving to Brownville Junction and opening a lunch room. The attorney-general has offered a reward of \$50 for information leading to his arrest and it is believed he is trying to make his way across the New Brunswick border as he formerly lived in that province. Nadeau constructed a dummy which he placed upon the cot in his cell. It is thought he effected his escape while the other prisoners were undressing for the night. His disappearance was not discovered, however, until Wednesday morning.

The territory of Wyoming was organized in 1890, out of parts of Dakota, Utah and Idaho, and one of the first official acts of the new territorial government was to grant the fair sex the right to vote and hold office. Wyoming thus ranks as the first of the States to give the full suffrage upon equal terms with men to the ladies. Colorado followed in 1893, Utah in 1896, Idaho in 1896, Washington in 1910, and California, Arizona, Kansas and Oregon in 1912. Alaska Territory adopted full woman suffrage last year, and Illinois took the first step toward the same end. Australia, Tasmania,

## In One hour I learned to Play the Piano at Home

Without Lessons or Knowledge of Music  
Any One Can Play the Piano or  
Organ in One Hour.

Wonderful New System that Even a Child Can Use  
"You surprised me! You told me yesterday that you could play a note!"  
She—"I couldn't learn to play in one hour. Impossible, you say? Let us prove it at our expense. We will teach you to play the piano or organ and will not ask one cent until you can play."  
Musical genius from Chicago has invented a wonderful system whereby any one can learn to play the Piano or Organ in one hour. With this new method you need not know one note from another, yet in an hour of practice you can be playing your favorite music with all the fluency of both hands and playing it well. The invention is so simple that even a child can now master music without costly instruction. Anyone can have this new method on a free trial merely by sending a simple written saying, "Send me the Easy Form Music Method as announced in The St. John Standard."

**FREE TRIAL**  
The complete system together with 100 pieces of music will then be sent to you free, all charges prepaid and absolutely not one cent to pay. You keep it seven days to thoroughly prove it is all that is claimed for it. If you are satisfied send us \$1.00 and one dollar a month until all is paid. If you are not delighted with it, send it back in seven days and you will have risked nothing and will be under no obligation to us.  
Be sure to state number of white keys on your piano or organ, also post office address. Easy Music Method Co., 333 Wilson Bldg., Toronto, Ontario.

New Zealand, Iceland, Norway, Finland and the Isle of Man also have complete woman suffrage. There have been many fair jurors since that first grand jury to include the fair sex met at Laramie in 1870, and they have fully disproved the theory that women are lacking in judicial qualities of mind.

## Flour trial is essential but— it is not your work!

Flour varies from time to time in baking quality. This is because wheat continually varies according to soil conditions, etc.

Therefore, if baking results are to be constantly high, baking tests are essential. It is unreasonable to expect you to make these tests at your expense.

So from each shipment of wheat delivered at our mills we take a ten pound sample. This is ground into flour. Bread is baked from the flour. If this bread is high in quality and large in quantity, we use the shipment. Otherwise we sell it.

By simply asking for **FLOUR** bearing this name you can always be sure of more bread and better bread.

"Better Pastry Too"
