

2. The Governor of this Province may at any time remove any of the said Trustees and appoint others in their stead, or may appoint additional Trustees for either side of the said River, provided the number for either side do not at any time exceed nine ;

3. The Trustees for either side of the said River, shall respectively have the same powers and duties, rights and liabilities, with regards to the Turnpike Roads, Bridges, and other works under their control, as are now vested in the Quebec Turnpike Road Trustees, with regard to the same ; and all provisions of the said Ordinance or Acts, shall apply as they now do, in so far as may not be inconsistent with this Act ;

4. Both the said Trusts shall remain jointly and severally liable for all moneys lawfully borrowed by the Quebec Turnpike Road Trustees before this Act shall come into force, and the interest thereon, and for all debentures and securities issued for such moneys and interest ; but each Trust shall be liable to the other for all sums hereafter to be paid by the other on account of moneys borrowed for Roads and works under the control of such first mentioned Trust, the claim founded on such liability, nevertheless, ranking after all claims for moneys heretofore borrowed by the Trust so liable, under the authority of the Legislature, or for interest on such moneys, and after the fair expenses of managing Roads and works made or repaired with moneys heretofore borrowed as aforesaid, which moneys the Trustees may expend for the purposes for which they were so borrowed ; and such claim of the one Trust upon the other being subject also to further limitation by the Governor in Council, who may from time to time determine the liability of either Trust to the other in such manner as he shall deem most consistent with the true intent of this Act ;

5. All proceedings now pending to which the Quebec Turnpike Road Trustees may be a party, shall, notwithstanding this Act, be continued to judgment, and all proceedings after judgment shall be had, as if this Act had not been passed ; subject always to the liability of the one Trust to the other, if any such liability shall arise from such proceedings.

III. And if the Governor shall see fit to appoint a Manager of the Quebec Turnpike Roads, then—

1. All the property, real or personal, and all powers and rights of every kind vested in the Trustees under the said Ordinance and Acts at the time their appointment shall be revoked as aforesaid, shall vest in the Manager of the Quebec Turnpike Roads appointed in their stead, and all the obligations and liabilities of the said Trustees, as such, shall be transferred to him by the mere fact of his appointment ; and in like
