THE NEW
KIT SET
No. 20

"If I was buying another Gillette Safety Razor," said one enthusiast when he saw the new Kit Set, pictured above, "I would certainly want that one!"

"It not only preserves all the good points of my old morning friend, but it is as compact as any razor set I have ever seen, and takes the least room in the travelling bag.

"And then the black, seal-grain case is so dignified—so appealing to any man who is particular in his appointments. I suppose you are asking a pretty price for that set."

No; merely—

\$5.00 the set.
