

**SIX DAYS TO LONDON**

Three days, sixteen hours and five minutes from *land to land*. It is the Royal Line to Bristol that makes this possible; and it is the Royal Edward which holds this Canadian trans-Atlantic record. But there are other considerations besides speed which should induce you to travel by the

**ROYAL EDWARD or ROYAL GEORGE**

Not only are these twin ships the fastest triple-screw turbine boats on the Montreal to London route, but their equipment is the finest on the Canadian Service. They are driven by the newest type of turbine engines, ensuring uttermost speed with least vibration. Large state-rooms, spacious social apartments, sheltered promenade decks, tasteful and artistic furnishings, splendid service, and ventilation by the thermo tank system indicate the unusually high character of the appointments, comfort and convenience of these boats.
