

25019-7.

December 3rd, 1932.

Dear Sir,-

The request of George Blaise King, of Manitoulin Island Unceded Reserve, for a loan under the Soldier Settlement Act cannot be granted as the time for making such loans expired some years ago.

The Department will not approve of a loan from Band funds either as this applicant is not worthy of this consideration as he has not shown by his actions that he would make a success of any undertaking.

Yours truly,

*Harold W. Hill*

Deputy Superintendent General  
of Indian Affairs.
