The Rt. Hon. Arthur Meighen;  
Canadian Investment Corp.,  
Bay St.  
Toronto

Dear Mr Meighen; I introduce myself more—  
I am Gerald E. Tinsley who wrote to you last fall  
in regard to getting employment in Toronto. I am  
a B.A. (Man.) a second year student, at Manitoba  
Law School—a classmate of Frank O. Meighen. I  
was advised by Mr W. Sanford Evans and Mr  
E. H. Coleman K.C. to see you on my coming to  
Toronto.

Mr Meighen through conditions I have  
been unable to get placed as yet and today am  
confronted with the spectre of want, as I have  
completely exhausted my funds, and the  
question of where to stay and of getting food  
is one that I cannot find a solution to.

I did not write this to ask for  
charity but feeling that you would, could I  
but see you, understand how I feel that  
I can come to you in the following strictly  
business way.

I receive this June a regular yearly  
gift of 500.<sup>00</sup> from an Aunt in the U.S.A. who  
is today abroad, and have several accounts  
receivable to my credit in Winnipeg.
