The Rt. Hon. Arthur Meighen  
320 Bay Street  
Toronto, Canada

Dear Senator Meighen:

As you know, I have followed the political situation in Canada in recent weeks with intense interest.

I shall be very glad to have your summary of the situation. On balance the results of the Ontario and Dominion elections should be substantially encouraging to the leaders of your party, even though you did not achieve yesterday the complete overthrow of your opponents.

With kindest regards, I am

Faithfully yours,

*Lawrence Hunt.*
