

22nd June 81.

Sir,

The clothing having been inspected by Mr. Stringer, the person appointed for that purpose, I have to request that you will have the same packed in the usual manner and address them to Mr James E. McKenna, Indian Superintendent, Winnipeg.

You will be good enough to forward them with the least possible delay, retaining usual invoices for Customs Authorities,

as

John Crichton, Esq.
Warden of the Penitentiary,
Kingston.
