Ottawa, 22nd June, 1908.

Sir,

With reference to the resolution passed by the Council of the Parry Island Band (copy of which you forwarded) to the effect that certain repairs be made to their Council House, I have to request that you will state the cost of the number of window blinds applied for. They should not be ordered until authority is granted by the Department for the purchase. When making applications of this nature you should always give an estimate of the cost involved.

Your obedient servant.
