NOTICE

1. Files should be retained no longer than absolutely necessary. If a file is frequently needed at short intervals, it is better to E.F. it for one or three days than keep it out of Central Registry indefinitely. This ensures it being completed and kept in order, and also gives other offices an opportunity to see records.
2. Central Registry should be notified whenever a file is passed direct to another branch.
3. All receiving letters should bear the official file number.
