No. 4 District Depot, C.A.

With reference to your H.Q.C. 55-D-478 Adm.3(c)1, dated
15th November 1943.

2. The marginally-named soldier was apprehended at Eastman, Que., on 15th August 1943, and handed over to No. 4 District Depot, C.A., on 15th August. For some reason, No. 4 District Depot were under the impression that this soldier was attached to C.A. (B) T.C. It was ascertained on 20th August that the accused had been taken on strength at No. 4 District Depot, C.A., and the documents were requested from District Headquarters. The documents were not received by the unit until 30th August.

3. The following day the accused was paraded before the Commanding Officer, the Summary of Evidence was taken and the application submitted to District Headquarters on 7th September and received at District Headquarters on 9th September.

4. The Order for Trial was signed on 10th September and the trial was held on 15th September.
