1. Relative to the above; confidential information was received during and investigation Re; Magnus BERTON - Game Act, to the following effect. BERTON purchased from Albert WINJE a piper aircraft (CF-DCV). Sometime Early last spring this aircraft was destroyed by fire following welding repairs. My informant states that this version of the loss of this aircraft was never reported to the Department of Transport, he also relates that he had been informed that BERTON had merely reported the loss of his log books covering (CF-DCV). BERTON called at this office following the accident and advised that his plane had been destroyed by fire as a result of a welding operation.
