

# **The Proof is in the Drinking**

You need drink but a few cups of Red  
Rose Tea to prove that it is richer and  
finer flavored than the tea you are using.

## **BECAUSE**

it is composed of a blend of Indian and  
Ceylon Teas, carefully selected and blended  
by our expert tea tasters, combining the  
best qualities of both these teas, which  
produces that rich full flavor which has  
made Red Rose Tea famous.

Ask your grocer for a package to-day,  
and prove that
