

ARE YOU COMING WEST TO FARM?

TRY THE LAST MOUNTAIN VALLEY DISTRICT.

On Last Mountain Lake.

WM. PEARSON & CO., Winnipeg.

London Fence

THOR, (Greek God of Thunder and Friend of Man.)
To the Farmers of Canada.

These coiled steel strands of famous "London" Wire, Secured to end posts anchored firm as earth herself, And tightened independently, do perfectly to hill or dale co-form. These are the girders. In their great strength and resilience Doth mostly lie the endurance of the fence. In this no chances take, but purchase only "London" spring steel wire—coiled, not kinked, (warranted by the makers.) These strands or girders, each to each, so solidly secured by this machine, With tough steel wire automatically prepared or spooled, Thereby produce a barrier so perfect that well do ye exclaim, "Eureka!" "This London Fence Machine no equal hath on this broad earth, "That doth in speed or perfect product bear comparison."

London Fence Machine Co

 JAMES DICKSON, "Glendale Farm," Orono, Ont.

Pulls Stumps or Standing Trees.

Clears a two-acre circle with one sitting—pulls anything the wire rope will reach; stumps, trees, grubs, rocks, hedges, etc. A man and a boy with one or two horses can run the

COMBINATION STUMP PULLER,

Stump Anchored or Self Anchoring. A minute and a half is all it takes for the ordinary stump. No heavy chains or rods. Note the strong wire rope with patent coupler—grips the rope at any point. Does not chafe rope; far ahead of old-style "take-ups." Smallest rope we furnish stands 40,000 lbs. strain. It generates immense power and it's made to stand the strain. We also make the Iron Giant Grub and Stump machine, the I. X. L. Grubber and Hawkeye Grub and Stump Machine. Write for free illustrated catalogue. Largest manufacturers of Stump Pullers in the World. Established 1884.
