

The By-Product

They say at the stock-yards that when they go after a hog they get everything but the squeal.

They value the by-product as well as the meat.

Did you ever think of your time that way?

You have your time for work and your time for self-improvement. Are you improving along profitable lines?

This year we are in touch with a number of young people who are looking after the by-product of their time.

They are improving their evenings through our mail courses, and looking forward to two or three months in school when work is slacker.

How about you?

Wouldn't it at least pay you to get our special proposition to farmers' sons. A postal brings it.

The Managers of Dr. Barnardo's Homes invite applications from farmers, or others, for the boys who are arriving periodically from England to be placed in this country. The young immigrants are mostly between 11 and 13 years of age; all will have passed through a period of training in Dr. Barnardo's English Institutions, and will have been carefully selected with a view to their moral and physical suitability for Canadian life. Full particulars as to the terms and conditions upon which the boys are placed may be obtained upon application to Mr. Alfred B. Owen, Agent Dr. Barnardo's Homes, 214 Farley Ave., Toronto.
