# GRAIN GROWERS!

## It Pays to Ship Your Grain

TO

## The Grain Growers' Grain Company

The following extract appeared in the October 19th issue of the "Brock Weekly News" It is another proof of what The Grain Growers' Grain Company is doing for the Western Farmers.

### "It pays to Ship your grain"

W. B. Christopherson shipped a car of wheat to The Grain Growers' Grain Company, Winnipeg, last week and made \$231.00 over the price offered him for the same grain at the local elevators. Some difference !

From "Brock Weekly News," Oct. 19th, 1911

Cases like these explain why our business is increasing so rapidly. In one day the past week the Company received bills from the farmers for 357 cars of grain, one hundred cars more than in any previous day in the history of the Company.

If you want the highest returns follow the crowd and ship your grain to the Farmers' Company.

For information regarding the markets or regarding shipping your grain, write to us.

Now is a good time to buy Grain Growers' Grain Company Stock. It is an A1 investment. Write for particulars.
