

FRUIT FARM SNAP IN BRITISH COLUMBIA

We have a fine fruit farm of 123-10 acres in the well known Kelowna district, 1½ miles from the wharf at Kelowna town and within a quarter of a mile from the railroad siding.

The front half of this land is the finest to be found in this province. There is no stone on the property. The present tenant is making \$1,000 per year from the growing of onions between the trees.

Three-quarters of this land is planted with trees five years old and in bearing. The varieties of apples are the famous Johnathan, Winesap, Delicious, Wagener and Wealth, all of which were selected by the provincial fruit inspector on account of their market value.

This property is now put on the market at \$6,000, with a cash payment of \$2,000. Balance in one and two years. Write at once if you are interested.

.401 Caliber

Self-Loading Rifle.

This new Winchester is reloaded by recoil, the repeating as well as the firing mechanism being under control of the trigger finger. A bullet fired from it strikes a blow of 2038 pounds—force enough to topple over the biggest game—penetration enough to reach the innermost vital spot. The wonderful in operation and powerful in execution, this rifle is neither complicated in construction nor cumbersome to handle.

It Hits Like The Hammer Of Thor.
