

Financial Statement.

Those who have contributed toward the current expense this year should know where the money has gone, and whether the expenditure has been wisely made. It is encouraging to see so many of the young men themselves doing what they can to help themselves and their fellow young men, and their efforts should be commended by the business and minded men of the town.

We append statement of finances. As will be seen, there will be a deficit of \$400. The Associations fiscal year ends this month, and any aid in the way of contributions will be gratefully received by J. D. McKay, Chairman of Finance Committee. The names of contributors will appear later.

RECEIPTS TO AUG. 4, 1890.

Balance from 1889	\$ 66.82

Junior Department.

The junior department is all new growth. 74 boys are now connected with it. A Sunday afternoon meeting is held, at the same hour as the young men's meeting; as many as 55 at one time attending. Three days in the

week the boys take exercise in the Gymnasium and seem to enjoy and develop under it. Largely on their account the Athletic field was secured during the summer, and they enjoyed the privilege and had a good time in many of their manly sports. They are talking of a library of their own, and the Association are planning to give them a room for themselves as soon as they can. The Convention urged greater activity in this branch of the work of the Association.

VALUE OF A GYMNASIUM.—Exercise helps men in every way; it makes them strong and healthy, it helps them to throw off mental depression and care, and it brings them together in social, brotherly union. The Gymnasium is in one word, an unspeakable boon and an imperative necessity for the dyspeptic narrow chested youth of our City.—*Pull Mall Gazette.*

HIS BELIEF.—I believe that I would be a strong, healthy man if I had early acquired and constantly practised athletic exercise.

ABRAHAM S. HERBERT.

ENDORSE IT.—It does me good to endorse the Young Men's Christian Association. Providence has endorsed it; the Church has endorsed it; and thus endorsed it is going to stand. **MOSES HILL.**

AN ASSOCIATION should do more and better work for young men than any one church, because it works for MEN ONLY.
