JOHN BULL ATTITUDE. LONDON, Oct. 17.—The British Government it is declared, would naturally desire to support President Wilson in any action he might take looking to peace, but first of all the tremendous British interests in Mexico, because those interests which include property, bonds and other investments amount to many millions.

Intervention on the part of the United States would not be welcomed by the British Government as it is feared it would lead to a long and sanguinary war in which British investors would be the heaviest losers as they would be unable to recoup themselves after the war in the same way as America would be able to do by the annexation of territory or by the enforcement of an indemnity.

Nothing has been heard from Sir Lionel Gordon the British minister to Mexico in regard to the meeting of members of the foreign diplomatic corps in Mexico City and no request has come from him for a warship.

It has been suggested here that a British warship might be sent to Mexico but the British Foreign Office is relying on Sir Lionel Gordon to ask for one if he thinks it necessary.

Miss Dodd Is Defeated

Big Surprise in the Golf Tournament.

(Canadian Press Despatch) WILMINGTON, Del., Oct. 17.—Miss Gladys Ravenscroft of England, former British titleholder and Miss Marion Hollins of New York, won their matches in the semi-final round today for the women's national championship at the Wilmington Country Club and will meet tomorrow in the final for the American title.

Miss Ravenscroft was a surprise and a disappointment, the holder of the British and Canadian championships going to pieces and losing to Miss Ravenscroft by 8 up and 7 to play.

Miss Dodd did not win a single hole. The other match between Miss Hollins and Miss Harriet Curtis of Boston, former American champion, was one of the most even matches ever played in a semi-final round for the American championship. It was nip and tuck, hole for hole and almost stroke for stroke until the 20th hole when the Metropolitan champion earned the right to go into the final against Miss Ravenscroft tomorrow.

A Hungarian by birth, he emigrated to the United States in 1894 where he had a successful business career and became an American citizen.

Coming back to Europe he entered the service of the Austrian government as an expert adviser on the methods of improving Austrian exports to North America. He persuaded the Austrian Government to get together an exhibit of Austrian goods and hire a car from the C.P.R. in which he travelled through Canada.

One of the pleasantest events in the history of Grace Church Scouts transpired on Thursday night, the 16th, when the parents of the boys were entertained at a banquet by the members of this troop.

The headquarters presented a bright appearance, gaily decorated in true patriotic style with flags and bunting, which set off the well laden tables to the best advantage. After the banquet at which the needs of the parents and scouts were so well cared for by the Misses Roberts, Bartle and Bonney, toasts and speeches were in order and under the able chairmanship of Mr. Myring, they were delivered in a happy vein.

After the chairman's helpful opening remarks, Scoutmaster J. E. Benham was called upon and delivered an address of welcome which was hearty and to the point. The toast to "The King" was proposed in an able manner by Scoutmaster Guenther and honored by the banqueters. "Our Country" was toasted by Scoutmaster Bonney and responded to by Scout Wootkins.

Both of whom dwell upon the greatness and resources of Canada in a pleasing and patriotic manner. Scout Mellish proposed the toast to "Our Parents" in a fluent manner, his remarks being deeply appreciated by all present.

Scoutmaster Hutton toasted the "Scout Movement" in a brief and thorough manner, and the response by Scout F. Riley was an extremely clever and comprehensive oration. The toast of "Grace Church Scouts" was proposed by Rev. Mr. Potts who expressed his pleasure at the manner in which the scouts were carrying out the scout law and referred to the fine results which are being attained.

Good citizenship, chivalry and service through living up to their oath. As Scoutmaster C. Clark pointed out the benefit derived from the scout training in the course of his address, and asked for the support and co-operation of the parents in the work. Troop Leader R. Henwood gave an interesting account of the troop since its inception, and pointed out the great advancement which it has made during the last six months in life saving and other branches of scoutcraft under Mr. Benham's able leadership.

After Commissioner Macfarlane had complimented the scouts on the fine state of efficiency which they had reached, an excellent display of signalling and ambulance work was given by the troop. The awards for the King's scout and signalling competitions were made at the end of the display to Troop Leader Henwood and Scouts Mellish and Riley. The meeting terminated with the singing of the National Anthem.
