Other hospitals refuse the consumptive. This institution cares for them.

Not a single applicant has ever been refused admission to the Muskoka Free Hospital for Consumptives because of his or her poverty.

Seven hundred and thirty-eight patients have been cared for since the Free Hospital was opened in 1902. Take a week's record :

## 63 patients in residence; 37 absolutely free, not paying a copper toward their maintenance; 15 paying 50 cents a day or less; 5 paying \$4.00 a week; 4 paying \$5.00; one paying \$7.00.

These figures tell plainly of a large deficit on maintenance account each month. To cover this the trustees are dependent upon the contributions that ome to them from friends in all parts of Canada. Not since the days of George Muller has so great a work of faith been carried on. ADMINISTRATION BUILDING, MUSKOKA FREE HOSPITAL FOR CONSUMPTIVES. WILL YOU HELP DIVIDE THIS LOAD WITH THE TRUSTEES ? Contributions may be sent to SIR WM. R. MEREDITH, Kt., Chief Justice, Osgoode Hall, Toronto, or W. J. Gage, Esq., 54 Front Street, W., Toronto.
