New Brunswick Man was Com pletely Orippled With Pain.

A Fearful Example of what Sciatica can do—Could not Walk or Move Without Enduring the Most Ex-cruciating Pain—How he was Cured. Boiestown, M. B., Jan. 29.—(Special). Northumberland County has seldom, if ever, been as much interested in the illness and recovery of any one man as it has been in the case of

Wm. A. Brown, of this place.

Mr. Brown's great suffering is what stirred up the sympathy of the peo-ple, for it is doubtful if ever mortal man has had to endure greater pain That he could ever recover complete good health, was considered out of the question, And yet, to-day he is well and entirely free from any symptoms of the Sciatica or any other

pains or aches.

Mr. Brown describes his case in part as follows: "I had Sciatica so bad in my back and hip that I could not walk without suffering awful-agony, and pains would shoot through my back with a sensation similar to running a knife through it." Dodd's Kidney Pills were recom-

mended and he began a treatment of them. Before the first box was

gone he thought he felt some better,
and by the time he had used three
boxes he was sure of it.

He continued the treatment and

was completely cured, and have had
no return of them since. I think
Bodd's Kidney Pills are a wonderful
remedy, and I have recommended
them to a number of others who

Last evening several members of Court McGregor, I. O.
