On Kings Peace.

From PEACE. Judge of the passionate hearts of men, God of the windy and sunny sky, Take back the bloodstained year of 1914. Give us the Christmas that we know. No air of wings sweeps softly by; No angel comes with shining light; Beneath the wild and wintry sky No shepherds watch their flock tonight.

Report of Temperance Alliance Meeting. The Kings County Temperance Alliance met at Forrester Hall, Berwick, Monday, Jan. 19th, at 1 o'clock, p. m.

The Kings County Temperance Alliance met at Forrester Hall, Berwick, Monday, Jan. 19th, at 1 o'clock, p. m.

The report of the executive committee was, on motion considered, read, and taken up clause by clause. The report was as follows:—

'You will be pleased to know that sufficient money has been collected to meet all bills in connection with the Scott Act appeal, for which the Alliance assumed responsibility. We recommend that Mr. W. E. Porter, who was treasurer of the convention held at the coast; of the superb gallantry which all have manifested in the great fight for 'Yves—'notably the Indian contingent and the London Scottish Territorials; of the stern self control with which the French people are giving up the manhood of their nation without a word of their great exploit beyond the heroic edited despatches; and of the singleness of purpose with which the Moslems of the British Empire have declared their entire solidarity with the Empire in circumstances of no little difficulty, then even the great military successes of the week fade into the background. The spirit thus manifested is impalpable, compared with nothing else matters. We must one and all be grateful that it has been given to us to see these days.

When we think of the supreme sacrifice which the Belgians raised their beautiful country by opening the dykes and thus checked the enemy's movement along the coast; of the superb gallantry which all have manifested in the great fight for 'Yves—'notably the Indian contingent and the London Scottish Territorials; of the stern self control with which the French people are giving up the manhood of their nation without a word of their great exploit beyond the heroic edited despatches; and of the singleness of purpose with which the Moslems of the British Empire have declared their entire solidarity with the Empire in circumstances of no little difficulty, then even the great military successes of the week fade into the background. Many women with disfigured complexions never seem to think that they need an occasional cleansing inside as well as outside. Yet neglect of this internal bathing shows itself in spots, and sallow complexion—as well as in dreadful headaches and biliousness. It is because the liver becomes sluggish, and waste matter accumulates which Nature cannot remove without assistance. The best

remedy is Chamberlain's Stomach and Liver Tablets, which stimulate the liver to healthy activity, remove fermentation, gently cleanse the stomach and bowels and tone the whole digestive system. Sure, safe and reliable. Take one at night and you feel bright and sunny in the morning. Get Chamberlain's today—druggists 25c., or by mail from Chamberlain Medicine Company, Toronto

Consumption Takes Hundreds of People

Hundreds of people succumb to consumption every day. Science proves that the germs only thrive when the system is weakened from colds or sickness, overwork, confining duties or when general weakness exists. The best physicians point out that during changing seasons the blood should be made rich and pure and active by taking Scott's Emulsion after meals. The cod liver oil in Scott's Emulsion warms the body by enriching the blood; it peculiarly strengthens the lungs and throat, while it upholds the relative forces of the body to avoid colds and prevent consumption.
