The Reason. The Advance wishes to know why no sum has been placed in the estimates for the Escuminac Breakwater. The question might more appropriately be put to he well known Methodist Clergyman, is Mr. Snowball, who should have looked after the interests of his constituency, nstead of neglecting the same to attend day, and formed a class of young people to his own private business in England. The Masonic Hall after school hours in The people at Escuminac may thank Mr. The people at Escuminac may thank Mr. Snowball for being thus neglected, for how is a Government to know what is wanted unless the necessary representa-tions are made by the representative of any constituency when at Ottawa. This is the only answer we can give to the question. We think we see the Man-ager accusing Mr. Showball of neglect n this or any other matter, however for the proposed breakwater, and why he was not there to push their claims at

the proper time.

The following choice extract appears in the Freeman, in a short article written with the intent to belittle Sir Leonard

"The statement that distillers are enquiris admitted that no converts have be but it is triumphantly asserted that a spirit of enquiry has been awakened."

It may suit the purposes of the editor of the Freeman to sneer at the great Missionary work which has been so successfully engaged in by the various branches of the Christian Church, but the fact remains the same, that tens of thousands have been reclaimed from the darkness of neathendom: snd no sneers can detract from the great and lasting good accom-plished by those noble-hearted men and women whose self-denying and loving labors in the mission field have been crowned with so much success. If all the statements made in the Freeman with associates in the Government bear any resemblance to the above untruthful ex

tract, its readers are to be pitied.

Sad Affair A special despatch to the Chicago Tribune states that at Grand Haven, Michigan, on the 26th inst., a sad accident occurred to Mr. Angus Little, a clerk in the Detroit & Milwaukee Railway freight of-fice. He fired an old Enfield Rifle at some sea gulls in the river near the depot at 5 p. m. The gun exploded, blowing the breech-pin into his brain. He cannot recover. Little is a brother-in-law of Capt. J. F. Smallman, of the steamer Muskegon. He was Mate on the

steamer Alpena one season. He was one of Grand Haven's best young men. Mr. Little and his wife paid Chatham a visit last fall, and were the guests of the gentleman's brother-in-law, S. U McCulley, Esq. The injured man is 307,920 therefore known to a number of our peo-ple, who deeply regret the sad accident \$2,130,937 \$1,765,720 which has in all human probability by this time resulted in his death. Mr. Little was a very worthy young man, and was highly esteemed where he was best

known.

Mr. J. J. Gaynor, of Chatham, whose success in carrying off the Matriculation Scholarship of the Buffalo College of Physicians and Surgeons, was noticed in the press some time ago, has won fresh The ice from Middle Island to Black Brook is litterly lined with shanties, hardly any of the fishermen having taken them up yet.
