### HALCOMB.

In looking over your paper, I did not notice any notes lately, from this part of the county, so I thought I would write a few.

Rev. Mr. Grierson, formerly pastor of Red Bank Church, but who has not been here for the past twenty years preached a very interesting sermon in the schoolhouse Sunday, Oct. 7th.

Mr. Benjamin Hubbard of Cassilis, visited the Sunday School here on Sunday, and appeared greatly pleased with the way it was progressing.

Miss Mabel Clouston intends spending Thursday, Thanksgiving Day, at her home in Derby.

Mrs. Fred Holmes has removed to her former home at Mr. Robert Taylor's, where she intends remaining the winter.

Mr. and Mrs. James Blackmore, were the guests of Mrs. Wallace Johnston on Sunday.

### HAY FEVER SERIOUS THIS YEAR.

Hay Fever this season appears to be of a very virulent type, developing in many instances into congestion and inflammation of the lungs. Evidently Hay Fever should not be trifled with. A most unfortunate discovery to this class of sufferers is that marvellous mucus killer, which during the past two years has been found to be absolutely certain in all cases of Hay Fever, Asthma, Bronchitis, Catarrh. It is very strange how people will persist in using snuffs, ointments and washes which are not only disgusting to use but are useless. Catarrhoxone is very pleasant—it is carried by dry air through the most remote air cells to the lungs. It quickly destroys the germs and cures simply because there is nothing left to excite the disease. It is to be had from druggists or the originators, N. C. Polson & Co., Mfg. Chemists, Kingston, Ont.; will send it to any address in Canada or United States, post and duty paid, for \$1.00.

### Minards' Liniment cures Dandruff.

**TO CURE A COLD IN ONE DAY**  
Take Laxative Broom Quinine Tablets. All druggists refund the money if it fails to cure.  
25c. E. W. signature is on each box.

### WAYERTON.

(Too late for last issue.)

Many were the congratulations and best wishes for all joy and happiness showered upon bride and groom when Arthur E. Petrie and Miss Gertrude M. Allison were united in marriage by Rev. Mr. Pickles. The wedding ceremony took place at the home of the groom's father. The groom being ably supported by Mr. Robinson Allison while Miss Fannie E. Allison assisted as bridesmaid. Only immediate friends and relatives were present at the wedding feast, shortly after which the happy couple, attended by bridesmaid and groomsmen, drove to the home of the bride's father where they received a warm greeting and best wishes for a long and happy life. After supper was served, the remainder of the evening was spent in dancing etc. The presents were rich and numerous. We all wish the happy couple a long and happy life.

Mr. and Mrs. Paul Kingston were in town last week, also Mrs. Jas. and Wm. Coghart.

Mr. Jas. Robinson of Nelson paid a visit to his daughter Mrs. John Allison.

Mrs. Moses Whitney and Miss Ida Whitney paid a visit to friends here.

Miss Rachel Allison is home on a visit.

Most of the farmers are done potato digging and had a very good crop. The threshing mill has arrived and the next week is expected to be spent in threshing.

Mr. John Allison is busy cutting pulp.

Mr. Wm. Allison expects to start for the woods this week. Mr. Allison intends to take with him some of the young men from our settlement who will be greatly by the fair sex.

On Sabbath last two wagon loads of sports for big game arrived here on their way to the woods; many of them must think Sunday a lucky day to start. They think little of the command, "Remember the Sabbath day to keep it holy."

### RENOUS RIVER.

The recent rain storm left the roads in this vicinity in a terrible condition, many washouts have been made some are nearly impassable. The rivers are bank high and many of the farmers have lost their shore fences, it was the largest freshet here, people say, since 1888.

Mr. Pittman of New York who was on the north branch Renous, hunting for big game with Hiram Manderville as guide has returned with a fine set of moose horns. Mr. Pittman is much pleased with his trip.

Many of our leading lumbermen have gone to the woods and commenced their winter's operation, others are preparing to move in.

Messrs Hogan, Donovan and Jardine's men are threshing in Grainfield.

Mr. Michael Buggie has purchased a perfect draught mare from Mr. P. Dalton. Mr. Buggie has now a matched team and supposed to be the prettiest team in this vicinity.

Miss Maud Gerrish who is teaching school here, has returned from the Teachers Institute, Bathurst.

Dear Sir,—This is to certify that I have been troubled with a lame back for fifteen years.

I have used three bottles of your MINARD'S LINIMENT and am completely cured.

It gives me great pleasure to recommend it and you are at liberty to use this in any way to further the use of your valuable medicine.

Two Rivers ROBERT ROSS.

### SOLDIERS IN CAMP.

Ex-Sergeant William Johnston of the 10th Royal Grenadiers, Toronto writes:—It is impossible for me to speak to highly of Dr. Chase's Ointment to piles or any itching skin disease. It is simply invaluable. Many of our men used it while in camp and received excellent results. Members of the Canadian contingents took 1000 boxes of Dr. Chase's Ointment with them to South Africa to relieve the sufferings of campaigning life.

A certain method for curing cramps, diarrhoea and dysentery by using Pain-Killer. This medicine has sustained the highest reputation for over 60 years. Avoid substitutes, there is but one Pain-Killer, Perry Davis'. 25c. and 50c.

## THE ONLY HOME PACKAGE DYES IN THE WORLD THAT GIVE PERFECT RESULTS.

The scientific preparation of dyestuffs and putting them up in proper shape for family dyeing has been brought to perfection by Wells & Richardson Co., who are proprietors of the celebrated Diamond Dyes.

These popular dyes have banished from the homes of Canada madder, fustic, logwood, cochineal and all other antiquated dyestuffs. The work of home dyeing is now done quickly and successfully by Diamond Dyes; the process is one that would astonish our grand parents.

To-day millions all over the world use the scientific Diamond Dyes in preference to all others. Diamond Dyes commend themselves to all who use them, because they are the strongest brightest and fastest, and the easiest to work with.

Diamond Dyes, like all other perfect and popular preparations, are largely imitated in style of package and the way they are put up. These imitations are worthless and adulterated dyes, ruinous to all kinds of goods and dangerous to handle. Great caution is advised when buying dyes for home use. Ask only for the "Diamond"; see that the name is on every packet.

### BULLER GOING HOME.

London, Oct. 10.—A despatch from Pietermaritzburg, Natal, says it is officially announced that Gen. Buller will arrive there on October 15th. It is assumed from this that he is coming home.

### COLDS THAT HANG ON.

Pneumonia is the result of neglected chest colds, colds that hang on and inflame and irritate the bronchial tubes and lungs. To promptly and thoroughly cure chest colds, tightness in the chest and all colds in the throat and bronchial tubes Dr. Chase's Syrup of Limes and Turpentine has proved itself the most effectual remedy extant. Its sale is simply enormous. 25 cents a bottle. Family size 60 cents.
