PROSPECTUS

Of an interesting work, now in preparation TO BE ENTITLED HOOCHLAGA DEPICTA.

THE HISTORY AND PRESENT STATE OF THE ISLAND AND CITY OF Montreal.

OF this City, second in political importance in the British Colonies in America, no accurate history, in a separate volume, exists in the English language. The present state of the City, and the progress of its improvement, are in frequent and rapid changes, and it is a matter of public interest, that the history of a City of this importance should be preserved for the benefit of posterity.

The Work will comprise a brief sketch of the early History of the Island and City, and an account of their public buildings, and other interesting objects, and a description of the present state of the City, and the progress of its improvement. The Work will be published in two volumes, and will be sold at the price of \$2.00 per volume.
