New Carpets, New Clothing, New Hats.

We are to the front with a large stock of Carpets, readymade Clothing, and we will self them cheap; we received 5 bales New Carpets by last trip of S. S. Stanley, also six cases ready-made clothing. Spits from the SPECTACLES are being worn by numbers of people with lenses entirely too strong; others ought to have a stronger glass than they do ise. If the child who holds a best close in order to see best, or the ider person who finds it difficult to see the finest print at night, will call on us we will soon tell them whether a glass will benefit them or not.

In some case we have to best to
