

Fun and Fancy.

A newspaper writes: "The quiet never wears high colors on the street, nor an exaggerated being, nor the biggest bustle in town. Correct. The quiet girl is dead. That is the reason she is quiet."

"No lady can tell one of my pink squirts from real squirts without rubbing her hand over it," is the advertisement of a Jersey City merchant, and yet the ladies of that city talk to each other from a distance of six feet.

A chief of division in the pension office, falling from Indiana, several days ago, posted the following notice in a conspicuous place in his office: "Hereafter I don't want none of my hands to walk about the corridors during office hours."

Omaha Wife—What under the sun are you doing this season—trying to tie this string around my finger. Wife—Why, I did not ask you to do any errand. Husband—No. This string is to remind me that I have nothing to remember today.

National Pills purify the blood, regulate the stomach, liver and bowels. A young lady in Philadelphia received a special delivery letter. The messenger handed her the book to sign for it. She took the book, and instead of writing her signature she wrote: "Dear John: I had to hear from you. Come up Sunday night." She answered the letter!

Destroy the Worms or they may destroy the children. Use Freeman's Worm Powders, they expel all kinds of worms. Im. Young Mrs. Popinjay, at market for a first time—Are you sure this chicken is an old hen! It feels very tough. Waitman—I can assure you, ma'am, this fowl is very young. (Opening the chicken's crop) It hasn't a single worm. Mrs. Popinjay takes the hen.

The best regulator for the stomach and bowels, the best cure for biliousness, sick headache, indigestion, and all affections arising from a disordered liver, are without exception Johnson's Tonic Liver Pills. Small in size, sugar coated, mild, yet effective. 25 cts. per bottle sold by Good's, druggist, Albion block, Goderich, sole agent.

To Make Dresses Fit Properly. A scientific paper says: "At the cost of fifty cents, the dresses of the whole household may be rendered inconspicuous by dipping them in a solution of tannate of soda, one pound in two gallons of water. The most delicate color will not be affected by it, and the ironing will not interfere with the effectiveness of the process. In the case of starched dresses, instead of dipping them in the solution, so three parts of good dry starch add on part of tannate of soda, and use in the ordinary way."

Use a Book Agent. Mr. Good's, druggist, is not a book agent, but has the agency in Goderich for Johnson's Tonic Bitters, which he can heartily recommend for any complaint to which a tonic medicine is applicable. This valuable medicine has been with most astonishing good results in cases of general debility, weakness, irregularities peculiar to females, extreme paleness, impoverishment of the blood, stomach and liver troubles, loss of appetite, and for that general worn out feeling that nearly every one is troubled with at some part of the year. Don't forget the name Johnson's Tonic Bitters 50c. and \$1 per bottle at Good's drug store, Albion block, Goderich, sole agent.

True Love. Love, the most precious among the "fruits of the Spirit," is the product of an early blossom in some souls. Little Philip fell down stairs one day, and injured his face so seriously that for a long time he could not speak. When he did open his lips, however, it was to no complaint of pain. Looking up at his mother, he whispered, trying to smile: "I'm pretty glad 'twasn't my little sister!"

A Profitable Life. Few men have accomplished the same amount of work and good in this world as the celebrated Dr. Chase. Over 500,000 of his works have been sold in Canada alone. We want every person troubled with Liver Complaints, Dyspepsia, Headache, Kidney or Urinary Troubles, to buy a bottle of Dr. Chase's Liver Cure, it will cure you. Medicine and Recipe Book \$1. Sold by all druggists.

Wall decorations. Among the most fashionable wall decorations—and they really contribute much to the tasteful furnishing of a room—are the heads of the deer, bear, leopard and wolf. The deer antlers are mounted alone and are very artistic. Sometimes a striking effect is produced by having the front half of a deer mounted on wood, the fore-legs projecting from the wood as if the animal were leaping into the room through a hole in the wall. A knowing looking fox—between a silver and a red—is stuffed, and stands on a firm foundation of wood, holding between his outstretched paws an iron ring for the reception of your umbrella or stick. A stuffed raccoon gets even nearer to polite society than the fox, not asking for the dripping umbrella or the stick that may be heavy, but simply requesting in the polite way only possible to a coon, that you drop your card in the beautiful pearl shell which he proffers you.

That is to say, your lungs. Also all your breathing machinery. Very wonderful machinery, is it. Not so, but larger air passages, but the thousands of little tubes and cavities leading from them.

When these are clogged and choked with matter which ought not to be there, your lungs cannot half do their work. And what they do, they cannot do well.

Call it cold, cough, croup, pneumonia, catarrh, consumption, or any of the family of chest and nose and lung obstructions, all are bad. All ought to be got rid of. There is just one sure way to get rid of them. That is take Rosche's German Syrup, which any druggist will sell you at 75 cents a bottle. Even if everything else has failed you, you may depend upon this for certain.

"Sa, Frank, this is leap year, will you be my wife?" exclaimed a pretty, bright-eyed maiden to a young man on the East Side the other evening. "Of course I will. Certainly; marry both of you," was the response. Then the moderns were happy. They won't get the kid gloves, which would have been the penalty of a refusal. Frank was on.—Buffalo Courier.

Home Rule. In Great Britain the question of Home Rule is commanding attention. To the man with a cold in the head or chest the safest way to ensure Home Rule over cold is to have on hand a bottle of Dr. Harvey's Red Pine Gum. For sale at J. Wilson's Prescription drug store. If

To Cut Glass. A simple method of breaking glass to any required form is to make a small notch by means of a file on the edge of a rod of iron of about the size of the stem of a tobacco-pipe red-hot in the fire, apply the hot iron to the notch, and draw it slowly along the surface of the glass in any direction you please; a crack will follow the direction of the iron.

Dr. Low's Worm Syrup will remove worms and cause, quicker than any other medicine. Im.
