Every Thing In Loose Leaf

From the smallest vest pocket memo book to the largest ledger and all at New York prices.

We can duplicate any book you are now using, or any ruled, printed and punched form your business requires, and save you money. See the work we have done in our printing and binding plant for many of the city and outport firms; ask for samples; get quotations; it will be a pleasant surprise to you to find that loose leaf work can be done in town so perfectly and at such low prices.

See our steel back corduroy and red Russia Leathers Loose Leaf Ledger, guaranteed for fifteen years.

The best loose leaf ledger made. Yet the price is not higher than that asked for inferior grades.

Compare our \$12.00 and \$14.00 per M. Ledger Leaves with the quality and prices of those you have been buying and see how much money we can save you.

Bring your loose leaf problems to us. Experience has made us loose leaf specialists.
