HAVE US WRITE YOU A POLICY of fire insurance to-day and you'll sleep sounder to-night. The man who is insured isn't half as nervous about fire as the man who isn't. Why should he be?

FIRE INSURANCE PROTECTS him from all loss. He knows if his house or store burns down where he is going to get money to replace it without borrowing. Are you in that comfortable position? Why not put yourself in it by taking out a policy right now?

RIGID ECONOMY!

In a recent speech in London, Premier Asquith urged personal thrift throughout the nation so as to make it possible for the country to bear the strain of the expenditure entailed by the cost of War.

Let us show you how you can reduce your expenses at least 25%. Make frequent use of the Dry Cleaning and Dyeing processes. In the past you have discarded garments which could easily have been restored to original freshness and beauty through our cleaning process.

Ask our Agents, Messrs. NICHOLLE, INKPEN & CHAFE.
