COMMISSION TO INTERPRET TREATY.

PARIS, July 29. The inter-Allied Supreme Council decided today to appoint a permanent commission to co-ordinate and interpret the German Peace Treaty. The commission will be composed of five members representing the five Great Powers. The commission will have its headquarters in Paris, but is empowered to convene elsewhere if necessary. It will sit after the ratification of the Treaty. The members will be aided by staffs of technical advisers. The Earl of Derby, British Ambassador to France, was announced as Great Britain's representative.

TYPHUS IN POLAND.

PARIS, July 27. One hundred and seventy thousand cases of typhus exist in Poland and the Baltic Russian states, according to reports received today by officials connected with the American Sanitary Expedition, now hurrying by train and by automobile through Germany to the afflicted districts.

ASK FOR PROTECTION.

COPENHAGEN, July 29. Immediate occupation by the Allies of the Schleswig territory, where plebiscites are to be held, or some other means of protecting the inhabitants was asked today in a resolution presented to the Allied Commission here by a delegation of the Slesviger (Slesviger) Municipal Council. The resolution was adopted by the inhabitants, it was said, as the result of disorders by German sailors. During the visit of 1400 Danish Boy Scouts recently, the Germans were said to have insulted the Danish flag.

THE EVIL SPREADING.

LONDON, July 29. Bolshevik rising in Bulgaria is reported in a wireless from Moscow today. The outbreak is declared to have occurred in a garrison town, the garrison joining the revolutionists. The name of the town is not mentioned.

FLOUR RESTRICTIONS REMOVED.

OTTAWA, July 29. The last restriction on imports of flour into Newfoundland from Canada has been removed by the restoration of flour to pre-war conditions. The Canadian Traffic Commission has been informed of the change, and will henceforth license freely all applications for flour for the Island Dominion. It has been necessary, hitherto, to await the shippers' receipt of import license before an export license from Canada could be granted. The commission is also informed that no further control of quality of flour is exercised by the Newfoundland Food Board. Large quantities of Canadian flour are needed by the cod fishing industry, for which the purchase usually begins in August.

THE QUESTION OF THE MINES.

LONDON, July 29. (Reuter's) Rt. Hon. Bonar Law stated in the House of Commons today the committee on home affairs was not considering the nationalization of mines and that none of the statements in the press represented the views of the Government in that regard. It was further hoped that an announcement would be made before long.

PRESIDENT SUICIDES.

GENEVA, July 29. Alexander Garbi, President of the Hungarian Soviet Government, killed himself in the Assembly building at

Budapest after delivering a speech against the Soviet and the Communist supporters, and accusing Bela Kun, the Soviet Leader and Minister of Foreign Affairs, of leading the nation to ruin, according to the Munich Nachrichten.

DOMINIONS WILL NOT BE CONSULTED.

LONDON, July 29. (Reuter's) In the House of Commons today, Rt. Hon. A. Bonar Law stated the Government was not prepared to adopt the suggestion that the governments of the various dominions should be asked to delegate representatives to a royal commission to report on the best form of future government for Ireland.

DECLARED REGULAR DIVIDEND.

NEW YORK, July 29. The United States Steel Corporation at its quarterly meeting today, failed to declare an extra dividend on its common stock. Similar action was taken at the quarterly meeting in April. Six months ago a disbursement of one per cent. was declared. The directors today declared the regular quarterly dividend of 1 1/2 per cent. on the common and 1 1/2 per cent. on the preferred stock.

DISCUSSION ON TRANSPORT BILL.

LONDON, July 29. The Government had anxious moments in the House of Lords during the debate on the Transport Bill, which already had encountered fierce opposition in the House of Commons, where it was considerably amended. The Marquis of Salisbury moved that the bill be divided into two bills, one dealing with railways, waterways and the like, and the other with tramways, road traffic, harbors and docks. This motion was strongly opposed by the Government and during the debate which turned largely on the question of nationalization, David Lloyd George, the Prime Minister, listened attentively from the rail fronting the throne and was in earnest conversation with Earl Curzon of Kedleston, Government leader in the House, Sir Eric Geddes, minister without portfolio, and others. After considerable debate the motion of the Marquis of Salisbury, which it had been carried would have led to a serious dispute between the House of Lords and House of Commons, was rejected.

LONDON, July 29. Berlin newspapers say that the former German Emperor has written the Archbishop of Posen, asking him to preserve the Protestant Chapel at Posen for Protestant services, not to convert it to Catholic purposes. The former monarch said it would be unbearable to him to have Roman Catholic service celebrated in a chapel into which he had put his whole soul and in which he prayed for victory for Germany.

LABORITE ELECTED.

LONDON, July 29. (Reuter's) James Robertson, Laborite, has been elected to represent the Bothwell Division of Lanarkshire in a bye-election, the result of which will be announced today. The vote stood: Robertson, Labor, 13,135; Moffatt, Coalition Liberal, 5,967. The seat was previously held by a Coalition Unionist.

Wanderers: T. Smith p., Britt c., Hartnett 1b., Smith 2b., McCrindle 3b., Burton ss., Brown rf., Regan cf., Dobbin if.

SUMMARY.

Struck Out: by Callahan 11, by Smith 3; Passed Balls: by Cooney 5, by Brett 0; Earned Runs: by Red Lions 4, by Wanderers 2; Home Runs: by Smith (Wanderers) 1; 3 Base Hits: Kielly and Ellis; 2 Base Hits: Ellis 2; Left on Bases: Wanderers 2, Red Lions 6; First Base on Errors: off Red Lions 4, off Wanderers 3; Time of Game 1 hour 25 mins; Umpires: Chessman and Power; Scorers: Merner and Conroy.

HOW IT HAPPENED.

Up to the seventh innings last night it looked as if the Wanderers would put it all over the doctory Lions as they had a lead of 6 to 3. 4 of the Hartnett crew's runs were due to passed balls by Cooney who is back-stopping in place of Hiltz who is still suffering from charley-horse. Then the red-and-gray aggregation started a batting-fest, and they sure did pole them out in rapid succession—so much so that they swatted in 4 runs and earned every one of them. Nothing daunted, the Wanderers in their eighth

sneaked in a couple due to wild throwing by Munn and Walter Callahan. This put them one run ahead when both lined up for their final round. Walter succeeded in pulling the one-two-three stunt on Bobby Smith, Regan, and Dobbin. Amid great excitement Cooney stood up at the plate with 1 run to tie the score and 2 to win. He sent a gentle tap down the third base line which permitted him to reach first safely. Then Ellis swung his famous willow (which had been doing famous work all the evening) for a sweet two-bagger, scoring Cooney, and thus tying the game up. He was nearly down to third when Kielly connected safely to right field and beat the throw home, thus nosing out the Wanderers by 1 run. In the sixth, pitcher Smith of the Harrietts, poked out the sweetest home run seen here since McHenry's in the intertown series four years ago. Ellis was in great sweating form, and as will be seen from the summary had 2 two-baggers and a triple to his credit. In the early stages of the game the play of Kielly was lackadaisical, and with the exception possibly of McCrindle, base runners just trotted from one bag to the other—apparently not caring whether they were put out or not. The finish however was most exciting and the fans were given the treat of the season when the heavy hitting began in the seventh. The next regular League fixture will be played to-morrow night when the R. I. S. and Red Lions will clash.

TO-DAY'S GAME.

The final for the E. D. Reid Cup will be played at the Mount Cashel Garden Party this afternoon, when the Cubs and Wanderers will meet in battle array. The Cubs won this trophy last year, and are by no means willing to relinquish their grip on the silverware. The game will be played at 4 o'clock, with Messrs. Chessman and Power in control.

At the Majestic.

To-night's bill is undoubtedly the biggest put on since opening. The Majestic has great pride in presenting "Satan" for it is a picture that must appeal to every person, no matter what his likes or his dislikes are. The theme of the story is very unusual, and the manner in which it is handled is most masterly, being a production of Ambrose, the great Italian moving picture producer. "Satan" is a marvellous portrayal of the efforts of the enemy of mankind to influence all humanity from the beginning. It is a sermon on the screen, and is, without doubt, the biggest and best put on the local screen for a long time. The photography of the picture—and the story is one that is for such—is perfect and altogether the production is as perfect as human effort can make it. The scenes, in many cases, are startling, numerous situations of historical importance being given the familiar touch that must forever be regarded as the most descriptive of "Satan" will always be remembered in St. John's by the movie going people as the strongest and most powerful ever shown here. The film is not a foundationless assertion will be proven at the Majestic to-night.
