form of selfishscious; a little worse in that it

s much harder to rebuke. "Now John, it is quite cool this | morning. You must wear your heavy overcoat, I shall worry all day if you

as his devoted wife does. She herself wouldn't dare move out doors that day without all her furs and winter panoply. But John has been hrough this same performance every winter since he has married. To tell his wife that he didn't feel the cold and that it wasn't necessary for him to wear his winter overcoat yet, would seem simple. But-"I shall worry all day if you don't'

says Mrs. John. John, being an average sort of a usband, disliking trouble of any sort, wears his winter overcoat. Because he needs it? Not at all. But because Mrs. John would worry if he didn't. As a result John is uncomfortably warm all day-but Mrs. John is quite satisfied. She needn't

We are Thinking Not of His Comfort But Ours.

We do not always remember that what is one man's meat is another viewpoint with our victim, we force ours upon him by using as our final argument not his comfort—but ours. 'I shall worry" is a favorite weapon many households.

I know a mother whose eldest son was drowned. He was not a particplarly good swimmer. Her younger ions are all splendid swimmers.

If a person wor- Their case is quite different from that of the drowned brother. But the mother, her heart still savoring the horror of her lost son's death, conthat person real- tinually begs of them to promise her My cared for you. they will forego what is one of their
