Drive Out the Flies

WITH

SANIFLOR!

It is unnecessary to have flies in the home.

A Saniflor will drive every fly from an ordinary room and keep them out.

No spraying. Just open the bottle, insert the flower wick and the Saniflor does the rest.

Operates night and day. Lasts two to three months. Costs \$1.00 at drug, hardware and general stores.

Manufactured by RENAUD & CO., PARIS.

Dr. F. STAFFORD & SON

Sole Agents and Distributors for Newfoundland.

Insects hate the delightful odor of Saniflor and give it a wide berth. Moths, water bugs and other insect pests move out when Saniflor moves in. Protects woollens from moths. Destroys all odors of cooking, etc., replacing them with the delightful and delicate fragrance of fresh flowers.
