**A SUPERB MACHINE.**—The sensation of the season has been the introduction to this neighborhood by Mr. Adam Young, of the Exhibition Threshing Machine, made by McPherson, Glasgow & Co., Fingal, Ontario; and which, is without exception the most complete type of the kind ever seen in this locality.  
 Its first trial last Tuesday, at Mr. David Ferguson's barn, was most satisfactory. According to the testimony of Mr. John Marshall, Brook Road, (who attended to the horse), its execution, with grain nothing to brag of, was at the rate of one bushel a minute!  
 The farmers of Puslinch and vicinity may well congratulate themselves on having such a machine in their midst, and Mr. Young's ripe experience of 20 years as a "thresher" from California to Lake Ontario, will no doubt ensure him the lion's share of such work.  
 Our local bard, getting inspired by the good machine's many excellent qualities, produces the following in its praise, the appropriate name given to it being the "Threshing Machine."  
 A movement is on foot in Manitoba, to make a platform, for the Canadian party in that Province, during the coming Local elections, demanding abolition of the Legislative Council, and the abolition of the French language in the law, and in debates of the Legislature of the Province.  
 John Mitchell is going to leave Ireland again in October. The Government having treated his visit with silent indifference. Mitchell's trip was a flat failure.

**Breakfast—Epps's Cocoa.**—GREATLY AND COMFORTING—by a thorough knowledge of the human system, which, years ago, by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctor's bills. — *Chronic Scourge* Made simply with boiling water or milk. Each packet is labelled— "James Epps & Co., Homeopathic Chemists, London."  
**PAYSON'S INDELIBLE INK.**—An invaluable article; over 100,000,000 copies have it, every traveler should have it, every hotel should have it. It is used with a common pen and is always ready. Payson's Ink has endured the test of over forty years.

**Special Notices.**  
**IT IS OF THE UTMOST IMPORTANCE** that a remedy intended for popular use should be not only thoroughly reliable and scientific, but incapable of producing dangerous results. The treatment of old lingering complaints is necessarily protracted, and if deleterious drugs are taken into the system for a long time, they may accumulate and do more harm than good. Dr. Wheeler's Compound Elixir of Phosphates and Calcians, containing elements of the tissues, repairs diseased bone, muscle and nerve, and restores constitutional vigor in the same manner as our daily food, with no more liability of injury. It may be taken in all forms of debility in the young or aged, with positive certainty of permanent benefit.

 Before Taking. After Taking.  
 Cures all Nervous Diseases, such as Tremor, Debility, Prostration, etc., which, in many cases, are produced by over indulgence in the use of tobacco and alcoholic spirits; but the Specific Medicine is more especially recommended as an unfailing cure for Seminal Weakness, Spermatorrhoea, Impotency, and all diseases that follow as a consequence of Self Abuse, as Loss of Memory, Universal Lassitude, Pain in the Back, Dimness of Vision, Premature Old Age, and many other Diseases that lead to insanity or consumption, and a Premature Grave, all of which, as a rule, are first caused by violating the laws of health and over indulgence.  
 The Specific Medicine is the result of a life study and many years of experience in treating these special diseases. Full particulars in our pamphlet, which we desire to send free by mail to every one who wants relief. **Co-Operative Store.**  
 On reference to all our advertisements since commencing business in Guelph seven years ago, it will be seen that we never offered "To Slaughter Goods," "To Sell at Half Price," "To Sell at a Great Sacrifice Irrespective of Cost," "To Sell 50 per cent. under other Houses," "To Keep the Largest and Best Stock in the Dominion."  
 We have carefully obtained from exaggeration, giving facts and figures only, leaving it to the buyers to judge for themselves.  
 Our aim has been to buy low, sell cheap to increase our sales, to allow no house to undersell us, to give our customers a share of profits, and make only one price.

**THE RESULT HAS BEEN THAT WE HAVE DONE A STEADY, PROSPEROUS, AND INCREASING BUSINESS, RETAINING OLD AND OBTAINING NEW CUSTOMERS. Some left us to obtain goods "at half price," but soon returned, as "actions speak louder than words." Hence we will continue to conduct our business on the same principle.**
