## Stable Fittings of Intrinsic Value

# "SUPERIOR"

From time to time other makes of Stable Fittings have tried to dispute the place and prestige of the SUPERIOR, but comparison has invariably served rather to quicken a realization of its Superiority. There never has been, there will never be

in the minds of most men—any acceptable substitute for intrinsic quality. The universal adjustment, the rotating feature, the lock-open device, the swivel slide, the gravity lock and the close bottom connection of the Satchel, the double curve partitions, the non-binding swing post, the boltless clamp, the individual lifting range partitions, the self-regulating water bowls, the inimitable charm of the distinctive design, the utter perfection of the most minute details in equipment of a cow stall—these features of the SUPERIOR are of resistless appeal to you who seek the fullest measure of Modern Stable Equipment service.

themselves this year. The collection of fall suitings and overcoatings gathered here beats anything in our memory—for nobbiness and taste. There are woollens, worsteds, chevots, tweeds, serges, broadcloths—everything.

There is surely some fabric in this variety that will suit you as perfectly as if you had been at the mills and said, "Make this for me."

Let us make you smart, individualizing suits at values you couldn't equal at any ready-made house in the country.

Come in and see this display before the finest values are taken.

## Rheumatism in the Blood

### It Can Only be Cured by Thoroughly Enriching the Blood Supply

Not so long ago rheumatism was looked upon as a pain in the muscles or joints brought on by exposure to dampness or bad weather. Now doctors know that it is rooted in the blood, and while exposure may start the pain, nothing but the removal of the poisonous acid from the blood will cure the trouble. It is a waste of both time and money to try to cure rheumatism with liniments, poultices or anything that only goes skin deep. Rubbing lotions into the skin may give temporary relief, but it actually helps to circulate the poisonous acid more freely and thus in the end increases the trouble, and perhaps leaves the sufferer permanently crippled. The one cure, the only cure, for rheumatism is to drive the acid which causes the trouble out of the blood. To do this no other remedy can equal Dr. Williams' Pink Pills which actually make new blood, sweeps out the poisonous acid, loosens the stiffened, aching joints, and bring good health and comfort. Here is the proof. Mr. Joseph Crouse, of Ninevah, N. S., says: "For several years I was severely afflicted with rheumatism. The trouble seemed to locate in all the joints in my body, and my suffering at times was most intense, and the disease greatly interfered with my activity. I doctored steadily for a long time, but the trouble was obstinate and did not yield in the least to the doctor's treatment. One day a friend told me of some cures of rheumatism by the use of Dr. Williams' Pink Pills and strongly advised me to try them. I did so and to my great surprise eight boxes completely cured me of the trouble, and I was as supple, active and free from pain, as ever I had been in my life. Better still, I have never felt a symptom of the trouble since."

You can get these pills from any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

## \$100 REWARD, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Cure is taken internally and acts thru the blood on the mucous surfaces of the system thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Cure that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
