The Drinking Fountains Will Go Up at Once-Appropriations for Wards of \$895 91 Still on Hand.

At a meeting of the Board of Works held last evening the city engineer recommended that the police station be painted, outside and inside, and that the interior be overhauled generally, including cells. He also recommended that the method of heating be changed. At present the building is warmed by eightstoves.

Ald, Jones thought that the present state of affairs might be allowed to continue for mother year, and moved that the matter is left over until next summer.

Mr. Graydon explained that new cells round have be received as there was no entillation.
