BAYLEY'S

DOMINION WON'T EXHIBIT STOCK

Breeders Complain of Irritating Regulations by St. Louis Fair Authorities.

Toronto, Nov. 12.—Unless the present restrictions as applied to the importations of pure bred animals into the United States can be greatly modified, and the St. Louis Exhibition authorities change considerably the regulations pertaining to Canadian live stock, the Canadian breeders recede from their unanimous stand. The Dominion will not be represented in that department of the World's Fair.

A thoroughly representative meeting of breeders at the Ross House last night discussed the matter, and concluded that the \$300,000 grant might be better employed for the purpose of enabling Canadians to make a creditable show in holding a stock exhibition on this side of the border.

Mr. Robert Miller, of Stouffville, explained the situation. The breeders objected, first, that there was no provision for testing any tuberculous cattle that might be sold, and there, for Canadian cattle might be blamed unjustly; secondly, that there was no provision for taking out of bond in case of sale, in the third place, there was no recognition of the Dominion herd book. The authorities recognized the herd books of Great Britain and Europe, and even of New Zealand, but not that of Canada. The admission fee to the United States here was \$100, the Ladies' Aid Society will hold their annual thank-offering meeting in the Presbyterian Church, Mrs. McMillan, of London, will give an interesting address on missions in the Northwest, assisted by the Rev. Mr. McIntyre, and Rev. Mr. Wylie, pastor. Excellent music will be furnished by Bethel choir.

Miss Laura Sloan has just returned from a visit to relations in Pottersburg and other places.

Alvinston, Nov. 12.—Mr. Hicks, late principal of Alvinston public and high schools, left on Saturday morning to accept a position as principal of the model school in Welland. Mr. Percy has been appointed principal in his place, and Miss McKellar has been appointed to teach the room vacated by Miss Hicks.

On Thursday evening a literary and debating club was organized. The following officers were appointed: President, Dr. Thompson; vice-president, E. Clarke; secretary-treasurer, Vermer Marshall; executive committee, B. Tomlinson and J. McKellar. It was decided to meet on the second and fourth Mondays of each month.

Mr. W. H. Pray is spending a few weeks with old friends at Alvinston. Miss Lottie Murdoch returned to her home in Petrolia last Saturday, after a few weeks' visit with Mrs. L. J. Hunt.

Pools Use Washes and Snuffs

Thinking perhaps they will cure catarrh, but no one ever heard of a genuine cure following such senseless treatments. There is just one prompt and thorough cure for catarrh, and it is fragrant, healing Catarrhazone, which goes right to the root of the trouble. It destroys the germs, heals the inflamed membranes and cures any case, no matter how obstinate or long standing. "I expended for years with catarrh remedies, but found Catarrhazone the most rational and satisfactory." writes W. J. MacEachern, of Waterville. "It cured me for all time."

THE DOAN KIDNEY PILLS.

Mr. Jacob Jamieson, Jamieson Bros., the well-known Contractors and Builders, Welland, Ont., tells of how he was cured.

"For fourteen years I was afflicted with kidney trouble which increased in severity the last five years. My most serious attack was four years ago, when I was completely incapacitated. I had terrible pains across my back, floating specks before my eyes and was in almost constant torment. I could not sit or stand with ease and was a wreck in health, having no appetite and lost greatly in flesh. I had taken medicine from five different doctors and also numerous other preparations to no purpose. I finally began to take Doan's Kidney Pills and before I had taken five boxes I was cured, yet they know it is so. I have passed the meridian of life but I feel that I have taken on the rosy hue of boyhood."

Price 50 cts. per box, or 3 for \$1.25, all dealers or

PETROLIA.

Petrolia, Nov. 12.—A sad accident took place here on Wednesday, when Mr. Northcott, an employee at one of the Standard receiving stations, lost his life.

When his mate came to relieve him about 11 a.m., he found the pumping rig shut down, and on entering discovered the mangled form of his friend in the machinery. It is thought that the deceased was caught in the machinery while attempting to replace a belt. Death was doubtless instantaneous. An inquest was called.

Mr. and Mrs. J. L. Englehart, who have been in New York for the past few weeks, have returned.

Mr. W. K. Gibson, who has been so seriously ill, is improving.

MOUNT BRIDGES.

Mount Bridges, Nov. 12.—Rev. Mr. Craig, of Petrolia, preached anniversary sermon in the English Church on Sunday, which was highly appreciated. On Monday night their concert was held in the town hall, which they realized \$16.

Rev. Mr. Bosworth occupied the pulpit in the Baptist Church on Sunday.

A musical concert in the Methodist Church on Wednesday night, the 10th inst., under the auspices of the Epworth League, was a great success, of Detroit, being the special feature.

Mrs. Graham, jun., spent a few days with her parents in London last week.

Mr. George Bignell has moved into his house opposite the G. T. R. station, and in a manner that has been much talked into the one vacated by Mr. Bignell.

Mr. O. Moninger has moved his sawmill down by the factory that he purchased from Mr. Simpson.

HYDE PARK.

Hyde Park Non-Resident series of special meetings are being held in the Methodist Church, conducted by the pastor, Rev. Mr. McEachern, Mr. Sam. Grigg and others. Much interest is being manifested by the large crowds that have attended, and we hope much good will be done.

St. Andrew's Society Had a Most Prosperous Year

Entire Staff of Officers Re-elected at Annual Meeting.

Society Is Without a Liability, and Has a Big Surplus.

The Annual Banquet—Executive Committee Increased—Year's Work Reviewed.

The members of St. Andrew's Society met in annual session in Somerset Hall last night and showed their appreciation of the work of the officers during the past year by electing them for another term.

The meeting was one of the most interesting in the long history of the organization, for the past twelve months had been one of unusual activity on the part of the society, and the reports of the officers were to review the period and give the results.

Mr. John Pringle, the president, was unable to attend, and as the first vice-president, Mr. E. J. MacRobert, was absent, the duties of chairman devolved upon Mr. D. McDonald, the second vice-president. Among the other members in attendance were John W. Jones, Wm. Gammage, Dr. W. J. Stevenson, John Cameron, Fred Macle, Bert Beal, J. B. McKillop, Dr. J. B. Campbell, and others.
