NEW CITY RISES

London Landmarks Gradually Disappearing Before the Modern Skyscraper.

ing itself. A new city, with the cld landmarks swept away, is rising Phenix-like from the ruins of old London, tirely satisfactory to the employees a city of huge hotels and skyscraping tirely satisfactory to the employes. The last meeting of this kind was held shout two weeks ago, when the advantage of their opportunities, and about two weeks ago, when the will the new metropolis be more beauti-

up. The sense of display leads now sometimes almost to vulgarity, and for this new style I am inclined to hold responsible the development of our commercial life and the growth of the imperialistic idea, which finds expression in an assertive building. People are no longer content with the quiet, unpretentious places of old London.

"Skyscrapers are a mistake. When houses go up too high they dwarf the human scale and produce in the winter Sarah a cold and draughty street. The question of ground values is, of course, the stumbling block in the way of great and comprehensive improvements in taking her vacation at the fort

HINT AT BIG STRIKE

Winnipeg Paper Says C. P. R. May

Be in Its Throes.

Winnipeg, Aug. 16 .- The evening Free Press tonight states in part: "Trouble is anticipated on the C. P. R. during the coming fall. There are persistent rumors of dissatisfaction among certain of the employes, and it is learned that these men are trying to get other branches of the company's service to join them. During the last two months there have been several consultations between the brotherhoods of railway London, Aug. 16.-London is rebuild- car men and machinists and the com-

points west of Fort William had repre-In his house at Kensington Walter Crane, the famous architect, discussed these questions:

"Never before was London rebuilt on so extensive a scale," said Mr. Crane, "A new type of building has sprung up. The sense of display leads now points west of Fort William had representatives in the city. The trouble has not yet come to a head, though the report has it that the employes delivered an ultimatum in which is embodied their terms of settlement. If this is not agreed to within a certain time limit, they will walk out. It is their expectations that in the rush of fall
