

SOME EXCITING GAMES AT THISTLE TOURNAMENT

Scotch Doubles Tourney Opened Yesterday at North End Club
—Several Surprises in First Round—Last Year's Winners
Fall by the Wayside in Preliminary Events.

The first day of the Thistle Bowling Club's Scotch doubles tournament provided some interesting games and attracted a large crowd. The tournament was opened at 1:30 o'clock, President A. A. Langford welcoming the bowlers to the city and declaring the tournament open. Many surprises occurred in the preliminary and first rounds of the Monarch trophy. One of the most notable victories of the afternoon was that of Fetterley and Kelly, of the Thistles, over the winners of last year, Tillmann and MacDougall, of the London Rowing Club. The Kelly rink was down four shots, with two ends to go, and it looked like an easy victory for their opponents. However, on the second to last end, Kelly tried a short running shot, but missed the bowl, and carried the jack to within a few inches of the ditch, laying four and tying the game. On the last end he scored one, and won out.

Another surprise occurred when Bayden and Laing, of Ridgetown, last year's winners of the association cup, were put out by Gillespie and Kennedy, of the Thistles, in the first round of the Monarch trophy, and lost to Tillmann and MacDougall in the association cup first round.

Quite a record for games was established at yesterday's play, 49 being played during the afternoon and evening. There are eight rinks left in the Monarch trophy, and the finals will likely be played off this afternoon. The bowlers are enjoying themselves immensely and some exciting matches are being pulled off. Today's play started at 9 o'clock this morning.

HOWARD MAY BE SENT BACK HOME

Winnipeg Colored Runner is Causing
Trouble on the Canadian
Olympic Team.

London, June 26.—The Canadian Press was informed at a late hour tonight that no official action had been taken regarding the reported dismissal from the Olympic team of J. Howard, the negro runner. President Merrick, who was unaware of the matter, will investigate today. Speaking of Howard's conduct, however, the coach said there had been trouble ever since the team left Montreal through "sheer disobedience to orders." Unless Howard submits to discipline he'll be dismissed and sent home.

The team leaves London on Saturday.

BIG ENTRY LIST FOR MANUFACTURERS' MEET

Local Manufacturing Firms Are Send-
ing Representatives to Each Event.

The manufacturers' athletic meet at Queen's Park on Saturday promises to be one of the best events of this kind ever held in London. The committee in charge have spent a great deal of time and energy in making the necessary arrangements and securing entries for the different events. Already the entries are pouring in, and a big crowd of local and outside athletes will compete. The track at Queen's Park is in great shape at present, and the weather holds good. It should permit of some fast work being pulled off at the meet. Local athletes have been in training for some time for the meet, and the weather will be a boon to them in the different events. All the

THE ATTEL-MURPHY BOUT AT FRISCO.

San Francisco, June 27.—The Attel-Murphy fight, driven from Daly City by the trustees who objected to the aftermath of the previous bout between the fighters, will be staged in San Francisco on Saturday afternoon, August 3. The fighters will weigh in at 133 pounds at noon.

DIXON AND KILBANE MATCHED.

Kansas City, June 27.—Tommy Dixon, featherweight champion boxer of the South, was matched here last night to meet Johnny Kilbane for the world's featherweight championship at Cleveland, June 4. The bout will be of twelve rounds.

FYLYNN WILL NOT RUSH.

East Las Vegas, N. M., June 26.—Contrary to the predictions of sporting writers, and some of his trainers, Jim Flynn, the Pueblo fireman, today declared that in his battle here July 4 with Jack Johnson, he will not use rushing tactics. Flynn declared he would fight a cautious battle, and would make the champion come to him. This time, he asserted, he would let Johnson do the rushing, because Flynn had rushed Johnson in a battle several years ago, and was knocked out.

Las Vegas is rapidly becoming a tented city for the accommodation of the crowds expected here for the fight.

The National Guard armory, the opera house, and Commercial Club rooms have been fitted up as dormitories.

EXCITING POLO MATCH PLAYED AT LONDON

Old Cantabs Win From the Tigers in
Last Minute.

London, June 27.—The final tie in the champion cup tournament between the old Cantabs and the Tigers at Hurlingham yesterday was a thriller. The Cantabs won by 7 goals to 6, but were lucky winners, as Mr. H. G. M. Kalliston received a kick on the right temple in the middle of the fourth period, when the Tigers were leading, 6 to 2, and although he pluckily resumed he never was the same man afterwards.

The feature of the game was the catching of Roy Wright for the Orients.

CRICKET MATCH A DRAW.

[Canadian Press.]

London, June 26.—The cricket match between Australia and England was declared a draw. Owing to rain no play was possible Tuesday. England resumed batting yesterday, and declared the innings closed with the score of 310 runs for 7 wickets. Australia ran up 282 runs for the loss of the same number of wickets, when play stopped for the day.

PLENTY OF HELP FOR ROOSEVELT

Oyster Bay, June 26.—Offers of assistance in the formation of the new progressive party are reaching Col. Roosevelt by mail and telegraph, he said today, at such a rate that he will be unable to acknowledge most of them for some time.

When he reached home he found hundreds of telegrams awaiting him, and today they continued to come in. Many of the letters contained money to be used in the work of organization.

The colonel said there would be no formal conference until the meeting in New York of the temporary committee on organization, which will issue a call for the national convention. Meanwhile he is keeping in close touch with the Baltimore convention, the outcome of which is regarded as of great importance to the new party.

big manufacturing concerns in the city will have representatives in each event, and special prizes are being given to the firm securing the most number of points. A great deal of interest is centered in the tug-of-war by the Advertiser Cup. This cup was won by the C. F. Soundhouse last year, but they will have to go some to hold onto it this season.

made two of them in the last game
London played in Peterboro.

Cocash, Lindburn and Blake each got four hits, each for a total of twelve. This would have been enough to win the game.

The Indians scored enough runs in one game yesterday to have won both contests at Ottawa. It was too bad they did not grab at least one of the games with the Senators.

The Petes released a first baseman named Dolan and he was later signed by Ottawa. Since leaving Peterboro this Dolan has been playing a remarkable game, and has been clouting the ball all over the lot. He got a home run at Brantford yesterday.

Manager Frank Bowerman made a big hit at Ottawa. He was a favorite with the fans, and the team will draw immense crowds when it returns again for four games in August.

London played errorless ball yester- day and Silex was given grand sup- port. After the first inning the White Caps never had a look-in.

Lloyd George and her daughter were at a corner of the embankment. The Viscountess Acheson was at the Hotel Cecil. A small army of white-clad sellers were at the entrances to the Law Courts, and planted roses on the plaintiffs, defendants and counsel. The last-named had to thrust them into their waistcoat pockets, as they were unable to wear them in court.

Lady de Trafford was at the Carlton Hotel and took in numerous sove- reigns and half-sovereigns for sing- ing blossoms and small sprays. Lady Cunard was in the Strand. Peersess pervaded London from one end to the other, and with thousands of untitled women worked with enormous vigor. They constantly emptied their trays, which had been resupplied from depots which had been established at the great houses in every district.

Hard on Real Girls.

The only people who looked sad over "Alexandra Day" were London's real "flower girls," who have a hard time earning a living year in and year out.

At noon two of these on Regent street lamented the fact that they had only taken in six and two cents respectively since eight o'clock in the morning, while the Alexandra ladies near by, who included the Duchess of Buccleuch, had been driving a roaring trade. All these girls had similar tales to tell. They had taken in from two to twelve cents while they had spent from a dollar to two dollars and a half on their perishable stock. A familiar group around the fountain in Piccadilly Circus said they had practically taken in nothing, but most of these girls took things philosophically, and their chief lament was that they had not had the foresight to reduce the amount of their stock today.

None of them appeared to have taken "Alexandra Day" into consideration. The rose sale realized more than \$125,000. Of this amount \$50,000 was contributed in pennies.

PARKHILL SAILOR WAS DROWNED AT ST. CLAIR

His Mother Made a Desperate
Effort To Save Him After
Collision.

[Special to The Advertiser.]

Sarnia, June 26.—Ralph Williams, of Parkhill, a deckhand on the steamer Bothnia, was drowned today when the boat sank after colliding with the steamer Curry of the Hawgood line. The accident occurred about 600 feet above the Star Island House, St. Clair Flats. The steamer Curry lost her rudder and could not avoid the collision.

Panic Followed.

The Bothnia, an old, wooden vessel, loaded with stone, was proceeding down stream, with the steamer City of Mackinac. The Curry was coming upstream. As the Curry nearly approached the Bothnia, she lost her rudder and veered sharply, cleaving the hull of the wooden vessel.

Panic Followed.

Panic ensued. There were twelve members of the Bothnia crew, one of them a woman, mother of Williams, the deckhand. She was the cook and this she had planned to be her last trip. The Curry for a few seconds scraped along the side of the sinking vessel, and the crew leaped for the Curry. Mrs. Williams landed safely on the larger steamer, as did many of the men.

But it was for a few seconds only that the Curry was within jumping distance. Her momentum carried her soon beyond the reach of the slower members of the Bothnia crew. Ralph Williams was one of those who missed

the jump. He fell between the two boats and never came to the surface. Others who jumped into the water were picked up by the launch of the Curry, unhurt.

A Pitiful Sight.

When Mrs. Williams saw her son disappear beneath the waters, she screamed in terror. The space between the two boats was so narrow that if he floated any distance beneath the surface, he would come up under one of the boats and be drowned. This she realized even before the experienced sailors grasped the situation.

Frantically she attempted to throw herself after him, hoping somehow to help him in his struggle. Members of the crew held her from the mad attempt and finally forced her to the rail.

The Curry waited near the scene of the drowning as long as there was any hope of rescuing Williams.

The Bothnia, Capt. J. F. Rooney, was owned by the Meaford Transportation Company, Meaford, Ont. She measured 178 feet long, and 823 tons and was built in 1895.

The Curry, Capt. W. R. Neal, was not badly damaged, as she is a steel vessel, while the Bothnia was a wooden craft.
