SHEA TROPHY.

The first day of the Thistie Bowling Coub's Scotch doubles tournament provided some interesting games and atvided some interesting games and attracted a large crowd. The tournament was opened at 1:30 o'clock, President A. A. Langford welcoming the bowlers to the city and declaring the tournament was accounted in Willgoose ney open. Many surprises occurred in the preliminary and first rounds of the Monarch trophy. One of the most notable victories of the afternoon was that of Fetterley and Kelly, of the Thistles, over the winners of last Lind Long year, Tillmann and MacDougall, of Tillmann and MacDougall and Tillmann and MacDougall and Tillmann and MacDougall and Tillmann and MacDou year, Tillmann and MacDougall, of the London Rowing Club. The Kelly Club was down four shots, with two rink was down four shots, with two ends to go, and it looked like an easy victory for their opponents. However, on the second to last end, Kelly tried a short running shot, but missed the howl and carried the jook to within bowl, and carried the jack to within a few inches of the ditch, laying four and tieing the game. On the last end

he scored one, and won out.

Another Surprise. Another surprise occurred when Bawden and Laing, of Ridgetown, last year's winners of the association cup, were put out by Gillespie and Kennedy, of the Thistles, in the first round of the Monarch trophy, and lost to Till-mann and McDougall in the associa-

wann and McDodgar.

tion cup first round.

Quite a record for games was established at yesterday's play, 49 being played during the afternoon and evening. There are eight rinks left in the Monarch trophy, and the finals will likely be played off this afternoon. The bowlers are enjoying themselves im-mensely and some exciting matches are being pulled off. Today's play started at 9 o'clock this morning. Yesterday's results:

Winnipeg Colored Runner is Causing Trouble on the Canadian Olympic Team.

London, June 26.-The Canadian Press was informed at a late hour tonight that no official action had been taken regarding the reported dismissal from the Olympic team of J. Howard, the negro runner. President Merrick, who was unware of the matter, will investigate today. Speaking of Howard's conduct, how ever, the coach said there had been trouble ever since the team left Montreal through "sheer disobedience to orders." Unless Howard submits to discipline he'll e dismissed and sent home. The team leaves London on Saturday.
