can be sent in by the candidates or by their friends.

In St. Lawrence Project Member For West Middlesex Doubts Wisdom of Present Power Plans. O. T. A. DEBATED

Lethbridge Urges Caution

Many Members of Legislature Express Views On Temperance Act.

Canadian Press Despatch. Toronto, March 3.—With eigh members holding forth during afternoon and evening sittings of th legislature, the budget debate reacher its final stage tonight. Premier Fer guson expressed a desire to wind up the discussion on Wednesday, in nich event second reading of th

Outstanding in today's discussions ere the declarations of the eight beakers on the heralded O. T. A. eferendum. E. Proutlx, Liberal ember for Prescott, favored the institution of a system of local option; A. G. Wallis, Liberal, Algoma, said he favored a change to government control; W. G. Weichel, Conservative, North Waterloo, and M. Vaghan, Conservative, Welland, went so far people on the question.

Mr. Lethbridge.

Aside from the O. T. A. issue which overshadowed discussions, the remarks of J. G. Lethbridge, Progressive member for West Middlesex, on the St. Lawrence development, were listened to with interest. The Progressive member urged extreme caution in entering into expenditure on the new properties of the progressive member urged extreme caution in entering into expenditure on the control of the progressive member urged extreme caution in entering into expenditure on the control of the progressive member urged extreme caution in entering into extreme caution in entering into extreme cautions and the control of the properties of the progressive member urged extreme cautions and the progressive member urged extreme cautions are progressive member urged extreme cautions and the progressive member urged extreme cautions are progressive member urged extreme cautions and the progressive member urged extreme cautions are progressive members. Mr. Lethbridge. on in entering into expenditure on t. Lawrence development, and cought the province should consider municipal councils by a two-third vote to buy fire apparatus up to \$20,000 value without vote of the province should consider the limit at present is \$5.000.

ment control.

J. G. Lethbridge, Progressive member for West Middlesex, commenced with an expression of regret at the "insult" which had been offered the Progressive group by the prime minister when their acquires appears is the be notified officially. The lack of ent and could have voiced opposi-

Four subscriptions for three months each count as one year. Two subscriptions for three year. Two subscriptions for three with the entire approval of the Progressive group, and it was only the premier's failure to secure their approval. The premier's failure to secure their approval of the premier's failure to secure their approval to must be made by an elector. The premier's failure to secure their approval to must be made by an elector. The premier's failure to secure their approval to must be made by an elector. The premier's failure to secure their approval to must be made by an elector. The premier's failure to secure their approval to must be made by an elector. The premier's failure to secure their approval to must be made by an elector. The premier's failure to secure their approval to must be made by an elector. Taking up the indorsation of previ- amendment makes it read "person us members of the Province of Que- assessed." pec's liquor system, Mr. Lethbridge quoted a Rev. E. Lavergne of Quebec, show that the system was not at some people claimed it to be.

Discusses Deficit.

After reminding government memd not jibe with deficit statistics preented in those previous years by such eminent critics as Hon. Charles McCrea, Mr. Lethbridge proceeded to dorse the demand of previous Libral spokesmen for a standardized stem of government accounting. He nought it was time that the people of the province should be placed in a position where they could ascertain he true state of provincial finances. artment revenue, he asked whether was the result of bad business on the part of the new government or this year was it a matter of being good to one's from

He urged caution in connection

In the matter of public ownership, Mr. Lethbridge indorsed the statements of Sir James Lougheed, who had stated that governments had extended the state of the United States. He advocated an immediate embargo tended the scope too greatly to include the field of sociology and pubposed branch lines as example. Sir defended the Kitchener police agains James had said that many times the charges that they were not trying to ate enters a field without regard enforce the temperance act for its ability to compete with private

St. Lawrence Scheme.

"I have here," he said, "another tatement by a Dominion man tha most yearly subscriptions, (made up of three months, and two years) statement by a Domainon man the the St. Lawrence scheme is going to cost double or three times what is estimated. What should be done is estimated. before entering a thing of that kind is to take the advice of that man and have a thorough investigation as to whether it is going to cost th ship matter, or whether we will d as they are doing in Quebec, let private interests develop and keep governmental control over it.

Instancing Quebec's dealing with her power matters, he said that we were told that Quebec had just as treaty between Great Britain and the had read in the Financial Post the United States in regard to the

y mentioned in its terms, the pursailing period mentioned above.

Associated Press Despatch. New York, March 3.-The Virginia-Carolina Chemical Company, one of the largest manufacturers of fertilizers in the country, today went into the hands of receivers after failing In last-minute attempts to obtain credit for the seasons operations. Capitalized with \$30,000,000 preferred stock and one million shares of no par value common stock, the Virginia-Carolina Company carried a funded debt of \$37,375,000 in high in-

by many that Col. J. A. Currie in ers that the four years' deficit expressing his ideas against the O

wotes between a one-year subscription and a two-year subscription. This rule applies on both new subscriptions and renewal subscriptions up to five years.

He urged caution in connection with St. Lawrence development plans. In spite of all estimates and assurances of costs and "cheapest power in the world," Mr. Lethbridge said that all these estimates had a tendency to prove too low. One thing he hoped was that if new power was to be developed, opportunity would be given the farmer to utilize its benefits.

He urged caution in connection with St. Lawrence development plans. In spite of all estimates and assurance clear on the matter of groups, and that anyone leading fifteen members or over secured \$1,500 additional. W. C. Weichel (Conservative, North Waterloo) said that the law was clear on the matter of groups, and that anyone leading fifteen members or over secured \$1,500 additional. W. C. Weichel (Conservative, North Waterloo) said that the law was clear on the matter of groups, and that anyone leading fifteen members or over secured \$1,500 additional. W. C. Weichel (Conservative, North Waterloo) said that the people of Ontario in the election had vindicated premier Ferguson of slanderous charges. Ontario, he said, wanted immigrants who would work, and in the world," Mr. Lethbridge said that anyone leading fifteen members or over secured \$1,500 additional. W. C. Weichel (Conservative, North Waterloo) said that the law was clear on the matter of groups, and that anyone leading fifteen members of over secured \$1,500 additional. W. C. Weichel (Conservative, North Waterloo) said that the law was clear on the matter of groups, and that anyone leading fifteen members of over secured \$1,500 additional. W. C. N. R. pro-losed branch lines as example. Sir defended the Kitchener police agains

Ottawa, March 3 .- A copy of the

By this treaty the long-standing principle of the three-mile limit for national jurisdiction is maintained

within a distance that can be covered by a vessel in one hour.

This is the treaty that is sometimes referred to as fixing a twelve-mile limit for the seizure of vessels suspected of being engaged in this trade, but that limit is not specifically mentioned in its towns the way.

disappear.

Those many people you meet with glistening teeth do something you should do. You see them everywhere today.

They have gained new beauty and new charm. But they have also gained new cleanliness, new safety. They use a new method of teeth

cleaning. Let this test show how

much it means to you. They combat the dingy film You feel on teeth a viscous film. That is what clouds teeth.

Under old-way brushing, much of that film remains. It becomes discolored, then forms dingy coats, to make the teeth unsightly and

Film also holds food substance which ferments and forms acid. It holds the acid in contact with the teeth to cause decay. Germs breed by millions in it. They, with tartar, are the chief cause of pyorrhea.

Such troubles became almost universal, due to attacks caused by

Protect the Enamel Pepsodent disintegrates the film, then removes it with an agent far softer than enamel. Never use a film combatant which contains harsh grit.

Then decide between the new way and the old. Do this for your home's sake. Cut out coupon now.

Science has sought ways to com-

bat that film. It has found two

careful tests. One disintegrates the film at all stages of formation,

one removes it without harmful
