SPECIAL TO THE DAILY BRITISH COLONIST

Washington Territory.

SEATTLE, August 2-We are having a serious time with the fires which have been raging fiercely along the entire route from Swinomish to Portland, notwithstanding every possible effort to subdue the flames has been made by the repairers. On Saturday last the line worked very well for twenty minutes direct to Portland, for the first time in fifteen days. The repairers all report the fires now dying out and anticipate no trouble except from half burnt trees falling on the ground over which the fires have passed. They will continue falling for several days. Line down both sides of Seattle this morning.

In the evening the Marquis of Clanricarde called attention to the inadevuacy of the police arrangements in Ireland for the prevention of crime. He said the constant recurrence of outrages in Ireland was a disgrace to the country. The impunity with which murder and outrage were committed showed that the Executive was powerless. He urged the necessity of having a more effi-
