Don't despair of relief, if troubled with chronic dyspepsia or constipation. These ailments, as well as biliousness, kidney infirmities and feminine troubles, are eradicated by Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, an alterative of long tried and clearly proven efficacy. It is a fine blood depurent as well as corrective, and contains no ingredients which are not of the highest standard of parity.

The revised census gives the population of Scotland at 3,735,573, an increase of 11 per cent since 1871, a rate of progress not exceeded since the third decade of the present century. In 1800 the population was

My Autumn.

From the Utica Observer.

My autumn is a time of peace;
My sun far to the southward sets;
But brings at eve no vain regrets,
For with the day the toil shall cease. Some hopes fall with the falling leaf, But o'er my sembre autumn sky No cruel bolts of lightning fly, And peace is better far than grief.

Man sleeps in autumn if his spring Brought hope, and hope brought earnest Then he may rest when rests the soil, And sit amid the sheaves and sing.

What though no flowers at early morn With gold or crimson bless his sight, Their hues in other forms delight, In crimson fruit or golden corn. And soon in mercy snows shall fall On bowing head and slient fie'd, And hope for coming springs shall yield Fruition vast neath drift and pall, TRAVELLERS' GUIDE. A NOTED BUT UNTITLED WOMAN. (From the Boston Globe.)

Mesers. Editors —

The above is a good likeness of Mrs. Lydia E. Pinle ham, of Lynn, Mass., who above all other human beings may be truthfully called the "Dear Friend of Woman," as some of her correspondents love to call her. She is scalonaly devoted to her work, which is the outcome of a life-study, and is obliged to keep six lady assistants, to help her answer the large correspondence which daily pours in upon her, each bearing its special burden of suffering, or joy at release from it. Her Vegetable Compound is a medicine for good and not evil purposes. I have personally investigated it and am satisfied of the truth of this.

On account of its proven merits, it is recommended and prescribed by the best physicians in the country. One says: "It works like a charm and saves much pain. It will cure entirely the worst form of falling of the uterus, Leucorrhoss, irregular and painful Menstruation, all Ovarian Troubles, Inflammation and Ulceration, Floodings, all Displacements and the consequent spinal weakness, and is especially adapted to the Change of Life."

It permeates every portion of the system, and gives

sequent spinal weakness, and is especially adapted to the Change of Life."

If permeates every portion of the system, and gives new life and vigor. It removes faintness, fiatulency, destroys all craving for stimulants, and relieves weakness of the stomach. It cures Bloating, Headaches, Nervous Prostration, General Deblitty, Sleeplesmess, Depression and Indigestion. That feeling of bearing down, causing pain, weight and backache, is always permanently cured by its use. It will at all times, and under all circumstances, act in harmony with the law that governs the female system.

It costs only \$L\$ per bottle or six for \$5., and is sold by druggists. Any advice required as to special cases, and the names of many who have been restored to perfect health by the use of the Vegetable Compound, can be obtained by addressing Mrs. P., with stamp for reply, at her home in Lynn, Mass.

For Kidney Complaint of either sex this compound is unsurpassed as abundant testimonials show.

"Mrs. Pinkham's Liver Pills," says one writer, "are the best in the toorld for the cure of Constipation, Billousness and Torpidity of the liver. Her Blood Purifier works wonders in its special line and bids fair to equal the Compound in its popularity.

All must respect her as an Angel of Mercy whose sole smbittion is to do good to others.
