ROB'T. CARRIE'S

WELL KNOWN ESTABLISHMENT,
Talbot street, St. Thomas.

From the fact that R. C. visited the home markets this season, and not being obliged to purchase from any one or two Houses, but with cash in hand, took plenty of time and made thorough search for goods in every Manufacturer's and Wholesale Warehouseman's stock, buying only where he could find the best value and styles. For the extraordinary success with which he has met since he removed to his new premises, R. C. feels grateful, and he assures his friends that nothing shall be wanting on his part to merit a continuance of the same.
