

Liberties of our Daughters. ❖❖

"There is no one thing more delicate to decide upon than that of the correspondence of a young girl. Certainly, the letters of a school girl should, in sheer justice to her, be subject to examination and revision. What can be more painful in after life to a sensitive woman, when the morning roseate tints of illusions have vanished, than the record preserved by some ill-natured person of her indiscreet letters, which, after all, were but the outcropping of meaningless exuberance, yet, alas! liable to grave misconstruction."

So writes **Mrs. Admiral Dahlgren** in an article under the above caption, in the November

WORKS LIKE A CHARM!

It is very easy to restore painted walls and woodwork to their original freshness if you will take a pailful of warm water, two sponges or soft cloths, and a tablet of

"SUNLIGHT" SOAP.

Apply the Soap with one sponge or cloth, and remove the Soap and dirt with the other. Rinse the latter frequently, and change the water often.

Ordinary soap contains too strong chemicals to use on paint; but while "Sunlight" Soap is mild, it is very EFFECTIVE.

TRY IT.
