ELECTRO SILVER PLATED WARE.

In no class of goods is it so necessary that buyers should ask for a well known make of goods than in Electro Plated. Dealers themselves are often imposed upon by the so called "Companies" that abound in these times, and the multitude of which no buyer can remember. Those who want reliable table-ware—SPOONS, FORKS, KNIVES, TEA SETS, CAKE-BASKETS CASTORS, PITCHERS, &c., should see that each article bears the stamp R. W. & Co., as all such are fully warranted, the 12 and 16 ounce spoons and forks are not surpassed, if equalled, in the world. Persons buying goods with the above stamp can rely on getting good value for their money—and they have as well the guarantee of an old established Canadian house. In answer to the inquiries of Trustees of Churches and ministers, we get up a triple Plate COMMUNION SERVICE for \$25.00, and the largest size for \$32.00. These can be ordered through any merchant, or failing this, remit P. O. direct to the house when the articles will be forwarded.

Dealers who may have been induced by travellers to select other Plate f. m. pict. v. books, are solicited to send—sample orders for these goods—once tried you will buy no other. Buy our five dollar Cruet Frame! Wholesale Agent, ROBERT WILKES, Toronto (corner Yonge and Wellington Streets); Montreal, 196 and 198 McGill Street. New York and London.

CATARRH.

Hear what the Rev. W. Tindall says about Littlefield's Constitutional Catarrh Remedy.

CERTIFICATE.

T. J. B. HARDING, Esq., Brockville, Ont. I was afflicted in my head for years before I suspected it to be Catarrh. In reading in your circular I saw my case described in many particulars. The inward "drop" from the head had become very disagreeable, and a choking sensation often prevented me from lying long. I would feel like smothering, and be compelled to sit up in bed. My health and spirits were seriously effected. When your agent came to Walkerton in August, 1876, I secured three bottles. Before I had used a quarter of the contents of one bottle I found decided relief, and when I had used two bottles and a third, I quit taking it, feeling quite cured of that ailment, and have not used any since, until of late I have taken some for a cold in my head. Yours truly, W. TINDALL, Methodist Minister, Port Elgin, Aug. 24th, 1878.

Ask for Littlefield's Constitutional Catarrh Remedy, and take no other. For sale by all druggists.
