

MONTREAL MINING EXCHANGE.

TRADING MORE GENERAL MONTREAL-LONDON LEADS — VIRTUE FIRM.

Montreal, Sept. 28

Business this morning was on the mend as far as the volume was concerned, although there was not much change as regards prices. The market to a great extent is a scalpers' market and on such a market there are always some who are willing to sell on any rapid advance, and re-invest in some stock which has not made any material advance; no doubt this can be done to advantage in some cases, but we think that it is a good time to buy to hold for much higher prices which no doubt will be realized some time this winter.

There were no less than eight issues dealt in at this morning's session, although in some cases these were at a recession. California was offered freely at 14 and sold to the amount of 3,000 shares at 18 with the same figure being bid for more at the close. Montreal Gold Fields was inclined to be a little soft, selling at 13½ to the amount of 1,000 shares, and Deer Trail No. 2 sold at 22, but soon recovered to 23½, there seemed to be plenty of stock offered round 23. The demand for Rathmullen was quieter today.

There was a little feeling as regards Virtue, it sold repeatedly at 45. Sellers asking 45½ at the close.

The greater portion of today's business centered itself in Montreal-London. The demand was urgent, although the stock was fairly plentiful, it sold repeatedly at 55, with broken lots selling at 54½ and 56; it closed with 55 being bid and 56 asked, any further demand would be liable to enhance the value and there is plenty of room for improvement.

There were sales recorded in Okanagan at 16, which is a better price than has been paid of late, and also in Dardanelles which sold at 12½.

The dividend payers were firm, Republic being the only one dealt in, but which sold at 119.

As soon as Mr. G. T. Blackstock returns from New York he will no doubt favor us with an announcement re the Centre Star arrangements. War Eagle should be bought on any recession.

Shareholders in the Deer Park Company would do well to remember to exchange their holdings for shares of equal quantity in the new company before Oct. 1st, otherwise their scrips will be forfeited.
